## ***From the Desk of Pastor Janet***

*"I thank my God every time I remember you."  
Philippians 1:3*

The words above were written by Paul to the Philippians. But I write them now to each of you. I do thank God every time I remember you – and I remember you often.

I thank God for the way that you received me and welcomed Eugene and me. I thank God for the way you welcomed us as a part of the family here at Glovier. I thank God for the way that you serve God and love one another. I thank God for the way that you serve others through mission efforts – even though some of these efforts were affected greatly by COVID.

I thank God that even during COVID – when we could not be together in person – that you continued to be a part of this fellowship. I thank God that you have dealt with the restrictions and regulations that we had to follow for the last two years. And I thank God that you continue to worship Jesus as your Lord and Savior.

I thank God for the way that you have loved Eugene and me by providing meals when I had surgery. But you do that for so many others, too, and I thank God for that.

The prayer that I have for you comes from Philippians I, as well. "I pray with joy because of our partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus". (Philippians 1:4-6)

And "I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge – that you may be filled to the measure of the fullness of God." (Ephesians 3:16-19)

There are really no words to say how very blessed Eugene and I have felt to be a part of

the ministry here at Glovier. You will all be dear to our hearts forever. And I truly believe that you will welcome your next pastor with the same love and grace you have shown us.

May you always remember that God loves you and your pastor and friend loves you as well.

## SUNDAY SCHOOL LESSONS

Lesson Summaries for June 2022

June 5

### God Foretells Destruction

Isaiah 47:10-15

Have you ever felt like you were invincible? Perhaps you felt like you knew what was best for you and God certainly wasn't leading you in the right direction. Isaiah found this to be true in Babylon. The Babylonians put their trust in worldly things...wise men, magic spells, astrologers..but not God. Isaiah tried to warn them. He tried to convince them to place their trust in God. God knows what is coming and if we have our faith and trust in God he will see us through. The Babylonians did not believe in this and their nation was conquered and they lost everything.

What about today? Are there people who read their horoscopes every day, perhaps call psychics to get readings...they do not have their trust in God. Those who do not believe in God will pay the price. So, who and what are you trusting? It's time to take a good look at where you stand...are you like the Babylonians or is your trust in God?

June 12

### God Foretells of Redemption

Isaiah 49:1-13

Isaiah speaks of Jesus, born of a virgin and sent by God. Jesus was to minister to all nations to bring them back to serving the Lord. Too many Kings felt as if they were the ruler and should be worshipped. Jesus wanted to bring all of the people's heart back to God. Jesus was a light to ALL people. Those who turn to or back to God will be delivered and redeemed. Jesus showed us his love and compassion.

## The Glovier Messenger

Our job is to also show this love and compassion to ALL people. We are to show this light that is described here to everyone. We have a job. How are you doing fulfilling that job?

### God's Restored People Shall Prosper

Isaiah 49:18-23

When the exiles returned from Babylon, they faced many challenges. Their land had been destroyed but Isaiah offered hope that one day they would flourish. Look at the challenges that some face today with tornado damage and fire damage. God is with them and will help them to rebuild. The exiles were learning to know God better and to trust him. God wants us to know that he is there for us and he wants us to enjoy His true blessings.

There are times when we like the Babylonian exiles may have questioned if God was still with them. Do not fear, God is always with us as he was with the Babylonian exiles. God is always working even though we may think he is not helping us as quickly as we would like. Trust in God. Have faith in God. You will not be disappointed.

### God Offers Deliverance

Isaiah 51:1-8

Have you ever been in a situation where someone told you..."Listen to me"? Why were they telling you that? Obviously, you were most likely doing something you shouldn't be doing and they wanted to make sure you heard them...to help you. This scripture is telling you to do the same thing...listen to me. When you think things will never be right, look at the Bible. Read about Abraham and Sarah and how God delivered for them. We have many enemies in the world today. Whether it be illnesses, war, weather, food shortages, rising prices...the list can go on and on. God promises to all who follow him and believe in him will have eternal life with him. God delivers on his

promises. Read the Bible and learn about those who felt that nothing would ever be right and see how God delivered them. Open your heart to God. Learn all you can. Then put your faith in God.
