

# Risk v Reward

**What type of investor would you be?**

Risk rating	Type of investor	Tick
1	Very safe - little on no risk but with very low returns? Will not lose money	
2	Safe - a small amount of risk but with small returns? Very unlikely to lose money	
3	Balanced - some risk and average returns? May break even if unlucky	
4	Aggressive - risky with possible good returns but could lose money	
5	Very aggressive - Very risky, possible excellent returns but could lose a lot	

**You want to invest £10,000 - what would your choices be?**
