EMPLOYEE CORE VALUES:

BE CARING

ALWAYS HONEST

CARRY A POSITIVE ATTITUDE

MASTER EMOTIONAL MATURITY

REMAIN 100% COMMITTED

REMAIN 100%
COMMITTED

Be 100% committed every day to doing your best to achieve the organization's mission, remain actively engaged in your duties and responsibilities, and help others, whenever possible, achieve their success.

BE
CARING

Be caring and supportive of our mission. Listen first to understand, then, use sound judgment to assess the situation, and communicate your views in a clear, honest, respectful and concise manner.

These Core Values serve as the foundation of our organizational culture, are key measures of our success, and are the underlying principles that guide and help ensure all employees meet all their job responsibilities.

Recognize individual strengths and weaknesses, strengthen our willingness to accept feedback, our calm and reasoned adjustment to change, and our ability to build and manage constructive collaborative relationships.

Create an honest and trusting environment through constant open communication and mutual cooperation. Be continually transparent with all working relationships. Value and respect all patients, clients & team members.

MASTER
EMOTIONAL
MATURITY

Demonstrate an attitude of thankfulness for co-workers, for our patients whom we serve, and for our organization, which enables us to grow personally and professionally. Encourage co-workers to remain positive, appreciative and focused.

ALWAYS
HONEST

CARRY A
POSITIVE
GRATITUDE
