

DGA ZOOM ZOOM ROOM CENTER

Overview:

Detroit GuardiAngels (DGA) Zoom Zoom Room center was led to provide services to students and parents - during the unexpected hurdle we are forced to work around – navigate through virtual learning. Our intentions are to provide teachers an alternate form of communication as an on-site contact for immediate attention, be it; sleeping, submitting their assignments, or common questions or concerns during meetings. We help the parent with a plan of action to be carried out by the student and submit the plan to the school. Moreover, we seek to give the student the full experience of learning without distractions and one-on-one assistance as needed and this is the most important aspect of what we set out to do.
