

Venus Body Sculpting - Las Vegas Apprenticeship Program

Venus Body Sculpting is seeking Apprentices, who are looking to gain experience and learn about all things beauty including Body Sculpting, Body Contouring, Non Invasive Vacuum Therapy Procedures and more.

Join our team of beauty experts and learn Radio Frequency, Ultrasonic Cavitation, LED Photon Light Therapy, Whole Body Vibration, Vacuum Therapy, and more. This program, is designed to get you hands on experience in the beauty industry. Learn how to manage a salon, manage your clientele, build your brand and become an independent beauty guru yourself. Gain customer service skills, build your portfolio with photos and videos, learn the in's and out's of Laser Lipo, attend events, learn marketing and more.

If you love the beauty industry and are currently enrolled in esthetics or cosmetology school or you have a passion to learn more and become a body artist at Venus Body Sculpting we'd love to hear from you! This Certificate Program includes 180 hours of hands on training.

We are currently looking to work with students that are able to train. The program begins in July 04, 2020. We are designed to accommodate absences or other attendance issues which may occur during the course of training with a 24 hour advance notice.
