

Venus Body Sculpting - Las Vegas Internship Program

Venus Body Sculpting LLC is seeking independent candidates to join our internship program. Specifically designed to provide hands on, one on one, training. Are you looking to gain experience and learn about all things beauty including Body Sculpting that promotes weight loss?

Join our team of weight loss beauty experts and learn Radio Frequency, Ultrasonic Cavitation, LED Photon Light Therapy, Whole Body Vibration, Vacuum Therapy, and more. This program, is designed to get you hands on experience in the weight loss, beauty industry. Learn all about measurements, digital photos, body fat and more. Manage the workload, manage your clientele, learn how to operate the computer system, accept payments, build your brand and become an independent beauty guru yourself or stay on and accept the great opportunities at Venus Body Sculpting upon successful completion of your internship.

If you love the weight loss and beauty industry and have a passion to learn more; become a Body Sculpting Technician at Venus Body Sculpting. This Certificate Program is flexible allowing you to choose 4 hours per training day of your choice. Training days can vary as clientele changes and varies weekly. A mandatory 180 hours is required to complete this Internship Training Course. During the training you will be considered for opportunities at Venus Body Sculpting LLC.

We are currently seeking independent, self efficient, team leaders that is ready to learn hands on training at least 2 days per week, 4 hours per day. The program started August 2019 and continues to be a huge success today.

*Applicants should be available 2 days a week for 4 hours.
