How about those of us with "seasoned" acne skin? The Aveda Outer Peace Acne Relief Pads will help control and limit those breakouts. Are your hands severely dry, cracking, or do you have cuticles that are sore and bleeding? If you said "yes", then this is the product for you!!! Our **Overnight Intense Hand Repair Balm** and **Intense Cuticle Repair Balm** are formulated to soothe, repair, heal and protect even the driest, damaged hands. What makes **QTica** products so wonderful? Their thick, luxurious balm is enriched with beeswax, aloe and vitamins to seal over the cracks and cuts in the skin which help the skin to repair itself.

Panthenol: a skin-revitalizing ingredient, has been added to these fine products to help reduce irritation while softening fine lines and renewing your skins appearance, giving you smoother and younger looking hands.

Lengthen, strengthen and hydrate your nails all with one product. Active garlic extract stimulates new nail growth while amino acid complexes keep the nail healthy and strong. Results of up to 1/4 inch of growth in only 14 days.

Another reason Hairline 1 & Nailcrafters is above the rest?

WE HAND FILE!!

Why is that so important? Majority of nail damage is caused from heat friction when high speed sanders are used to smooth out acrylic overlays. Nothing hurts more than a burned nail bed.
