The Declarant, imposes on each Lot within the Subdivision, and the Owner of each Lot, by acceptance of a Deed thereto, whether or not it shall be expressed in the Deed or other evidence of conveyance, is deemed to covenant and agree to pay the Association the following:

- (a) Annual assessments or charges; and
- (b) Special assessments for capital improvements, such assessments or charges to be fixed, established and collected as hereinafter provided.

These assessments and charges, together with interest thereon as hereinafter provided, costs of collection, and reasonable attorney's fees, shall be a charge on the land and shall be secured by a continuing lien upon the property against which such assessments or charges are made. Each such assessment or charge, together with such interest, costs of collection, and reasonable attorney's fees shall also be and remain the personal obligation of the Owner of the particular Lot at the time the assessment or charge falls due notwithstanding any subsequent transfer of title of such property. The personal obligation for delinquent assessments and charges shall not pass to successors in title unless expressly assumed by them.

. 1.

SECTION 2. PURPOSE OF ASSESSMENTS. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners and residents in the Properties, and for the improvement and maintenance of the Common Area, if any. Without limiting the foregoing, the assessments accumulated by the Association, insofar as the same may be sufficient, shall be applied toward the payment of all taxes, insurance premiums and repair, maintenance and acquisition expenses incurred by the Association and, at the option of the Board of Directors of the Association, for any and all of the following purposes: street lighting, improving and maintaining streets, alleyways, paths, easements, and esplanades in the Properties; collecting and disposing of garbage, ashes, rubbish and materials of a similar nature; payment of legal and all other expenses incurred in connection with the collection, enforcement and administration of all assessments and charges and in connection with the enforcement of this Declaration; providing for the planting and upkeep of trees, grass and shrubbery in esplanades, easements, and in the Common Area, if any; and doing any other thing necessary or desirable in the opinion of the Board of Directors of the Association to keep and maintain the lands within the Properties in a neat and good order or which they consider of general benefit to the Owners or occupants of the Properties, including the establishment and maintenance of a reserve for repair, maintenance, taxes, insurance, and other charges as specified herein. The judgment of the Board of Directors of the Association in establishing annual assessments, special assessments and other charges and in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith.

SECTION 3. MAXIMUM LEVEL OF ANNUAL ASSESSMENTS. The annual assessment per Lot is hereby set at Two Hundred Forty and No/100 (\$240.00) Dollars for the calendar year 2008. Thereafter, the Board of Directors of the Association at its sole discretion may increase the annual assessment by a maximum amount equal to a twenty percent (20%) increase over the annual assessment for the previous year without a vote of the Members of the Association. Each year after 2008, the annual assessment may be increased by more than twenty per cent (20%) by a vote of the Members who are voting, in person or by proxy, at a meeting duly called for this purpose. After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix the annual assessment at any amount not in excess of the maximum. Annual assessments may be collected in advance on an annual, monthly or quarterly basis at the Board's election.

SECTION 4. SPECIAL ASSESSMENT FOR CAPITAL IMPROVEMENTS. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, or repair or replacement of a capital improvement located upon any Common Areas, including fixtures and personal property related thereto, provided that any such assessment shall

1 11 .

have the assent of two-thirds (2/3) of the votes of the Members who are voting, in person or by proxy, at a meeting duly called for this purpose. Special assessments may be collected on an annual, monthly or quarterly basis at the Board's election.

SECTION 5. NOTICE AND QUORUM. Written notice of any meeting called for the purpose of taking any action under Sections 3 or 4 above shall be sent to all Members not less than ten (10) days nor more that sixty (60) days in advance of the meeting. At such meeting, the presence of Members or of proxies entitled to cast twenty per cent (20%) of all the votes of the membership of the Association shall constitute a quorum.

SECTION 6. RATES OF ASSESSMENT. Both annual and special assessments on all Lots (except Lots owned by Declarant and Builders) shall be fixed at uniform rates.

SECTION 7. DATE OF COMMENCEMENT AND DETERMINATION OF ANNUAL ASSESSMENT. The annual assessment provided for herein shall commence as to each Lot on the conveyance of such Lot by the Declarant. Such assessment shall be adjusted according to the number of months remaining in the calendar year. On or before the 31st day of May in each year, the Board of Directors of the Association shall fix the amount of the annual assessment to be levied against each Lot in the next calendar year. If the Board of Directors does not fix the amount of the annual assessment for the next calendar year, it shall remain the same as the previous year's assessment. Each annual assessment shall be due and payable in advance on the first day of July of each calendar year unless the Board elects to collect the assessment on a monthly or quarterly basis. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a particular Lot is binding upon the Association as of the date of its issuance.

SECTION 8. EFFECT OF NONPAYMENT OF ASSESSMENTS; REMEDIES OF THE ASSOCIATION. Any assessments or charges which are not paid when due, shall be delinquent. If an assessment or charge is not paid within thirty (30) days after the due date, it shall bear interest from the original due date until paid at the lesser of eighteen per cent (18%) per annum or the highest non-usurious rate permitted by law, and the Association may bring an action at law against the Owner personally obligated to pay the same, and/or against the then Owner of the subject Lot(s) to foreclose the lien herein retained against the respective Lot or Lots. Interest as above specified, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment as a charge. Each such Owner, by his acceptance of a Deed, hereby expressly vests in the Association or its agents, the right and power to bring all actions against such Owner personally for the collection of such assessments and charges as a debt and to enforce the lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed of trust lien foreclosure on real property, and such Owner expressly grants to the Association a power of sale and non-judicial foreclosure in connection with the lien. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

SECTION 9. SUBORDINATION OF THE LIEN TO MORTGAGES. As hereinabove provided, the title to each Lot shall be subject to a lien securing the payment of all assessments and

charges due the Association, but the lien shall be subordinate to any valid purchase money lien, improvement lien, home equity lien or reverse mortgage (or any renewal and extension or such liens) affecting such Lot. The sale of any Lot shall not affect the lien in favor of the Association; PROVIDED, HOWEVER, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien securing such assessment or charge as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or the Owner thereof from liability for any charges or assessments thereafter becoming due or from the lien thereof. In addition to the automatic subordination provided for hereinabove, the Association, in the sole discretion of its Board of Directors, may subordinate the lien securing any assessment provided for herein to any other mortgage lien or encumbrance, subject to such limitations, if any, as the Board of Directors may determine.

SECTION 10. LOTS OWNED BY DECLARANT AND BUILDERS. Notwithstanding any provision to the contrary in this Article IV or in this Declaration in general, Lots owned by Declarant are exempt from the annual and special assessments, and no annual or special assessments or charges shall accrue or be assessed against Lots owned by the Declarant, whether such Lots are unsold Lots remaining in Declarant's inventory or have been previously sold or conveyed and subsequently foreclosed on or repossessed by Declarant. Additionally, Lots owned by Builders shall be exempt from annual and special assessments for a maximum period of one (1) year after the Lot is acquired by the Builder.

# ARTICLE V - PROPERTY RIGHTS IN COMMON AREAS

SECTION 1. OWNER'S EASEMENT FOR ACCESS AND ENJOYMENT. Subject to the provisions herein stated, every Member shall have an easement of access and a right and easement of enjoyment in the Common Area, if any, and such right and easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following rights of the Association:

- (a) The Association has the right to borrow money to be used in furtherance of the purposes of the Association, and to mortgage, pledge, deed in trust, or hypothecate any or all of the Common Area, if any, as security for money borrowed or debts incurred.
- (b) The Association has the right to take such steps as are reasonably necessary to protect any Common Area against foreclosure of any such mortgage.
- (c) The Association has the right to establish reasonable rules and regulations governing the Members' use and enjoyment of the Common Area, if any, and to suspend the enjoyment rights and voting rights of any Member for any period not to exceed sixty (60) days for any infraction of such rules and regulations.
- (d) With the assent of Members representing two-thirds (2/3rds) of the total votes of the Members of the Association, the Association shall have the right to dedicate, sell or transfer all or any part of the Common Area, if any, to any public agency or authority for such purposes and subject to such conditions as may be approved by said two-thirds (2/3rds) of the votes of all Members; provided, however, nothing contained herein shall be construed to limit the right of the Association to grant or dedicate easements in portions of the Common Area, if any, to public or private utility companies.

111-4-5 - 50

SECTION 2. DELEGATION OF USE. Each Member has the right to extend his rights and easements of enjoyment to the Common Area, if any, to the members of his family, to his tenants who reside in the Subdivision, and to such other persons as may be permitted by the Association.

SECTION 3. LIABILITY OF OWNERS FOR DAMAGE BY MEMBER. Each Member shall be liable to the Association of any damage to any Common Area or for any expense or liability incurred by the Association, to the extent not covered by insurance, that may be sustained by reason of the negligence or willful misconduct of such Member or for any violation by such Member of this Declaration for any of the rules or regulations adopted by the Board of Directors. The Association has the power to levy and collect an assessment against a Member, after notice and hearing, to cover the costs and expenses incurred by the Association on account of any such damage or any such violation of this Declaration or of its rules and regulations, or for any increase in insurance premiums directly attributable to any such damage or any such violation.

SECTION 4. ASSOCIATION POWERS IN THE EVENT OF CONDEMNATION. If any Common Area or interest therein is taken under exercise of the power of eminent domain or by private purchase in lieu of condemnation, the award in condemnation or the price payable shall be paid to the Association, except to the extent payable to any mortgagee of any such property, or to any Lot Owner, to the extent such Common Area consists of an easement over the Lot of the Owner in question. The Association shall have the exclusive right to participate in such condemnation proceeding and to represent the interest of all Owners therein. Any award or funds received by the Association shall be held by the Association as determined by the Board of Directors, as reserve for future maintenance, repair, reconstruction, or replacement of the Common Area or may be used for improvements or additions to or operations of the Common Area.

#### **ARTICLE VI - USE RESTRICTIONS**

SECTION 1. RESIDENTIAL USE. Each and every Lot is hereby restricted to residential dwellings for single-family residential use only. No business, professional, commercial or manufacturing use shall be made of any of said Lots, even though such business, professional, commercial or manufacturing use be subordinate or incident to use of the premises as a residence; provided, however, an Owner of a Lot in the Subdivision may use his residence for professional or other home occupations such as the maintenance of a personal or professional library, the keeping of personal business or professional records or accounts, or for the handling of personal business or professional telephone calls or correspondence so long as there are no external evidences thereof (such as signs, advertising a business or the storing of any equipment, inventory or other materials of whatever kind or character on the Lot or elsewhere in the Subdivision, or meeting with or consulting in person with clients or customers on the Lot or within the Subdivision), and no unreasonable inconvenience to such Owner's neighbors. No structure other than one private single-family dwelling, a guest house and/or servants quarters, a garage and carport appurtenant thereto and no more than two related outbuildings shall be constructed or permitted to remain on any Lot in the Subdivision. As used herein, the term "residential use" shall be construed to prohibit the use of any Lot for duplex houses, garage apartments for rental purposes, or apartment houses. Notwithstanding any provision to the contrary contained in this Section 1 or in any other provision of this Declaration, Declarant reserves the right and privilege of using any one Lot in the Subdivision for constructing and maintaining a sales and/or construction office in connection with the marketing and sale of Lots in the Subdivision and/or the construction of homes and other improvements in the Subdivision.

1.1 .

During the period of such use by Declarant, Declarant may store construction materials and machinery on such Lot and, in general, utilize such Lot for any purpose reasonably consistent with its use as a sales and/or construction office. After Declarant ceases to use the Lot as a sales and/or construction office, such Lot thereafter may be used for inside light commercial use such as a beauty shop, barber shop, professional office (i.e., bookkeeping, taxes, real estate sales or insurance agency).

SECTION 2. ANIMALS AND LIVESTOCK. Except as specifically permitted in this section, no animals, livestock, or poultry of any kind shall be raised, bred or kept on any Lot. Dogs, domestic cats, or other household pets may be kept on a Lot, provided that they are not kept, bred or maintained for any business or commercial purposes; and provided further, however, no exotic cats or other wild animals shall be allowed. Additionally, a maximum of two (2) horses per acre may be maintained on a Lot provided that they are not kept, bred or maintained for any business or commercial purposes. All Montgomery County or, if applicable, City of Conroe leash laws related to animals shall apply. No animals will be allowed to run loose in the Subdivision. The Association, acting through its Board of Directors, shall have the authority (but not the obligation) to designate and identify, in its sole judgment and discretion, certain of the animals or breeds of animals that are permitted in the Subdivision by the above provisions that it deems to be unusually dangerous or to be an unusual risk to the health, safety and welfare of the residents of the Subdivision, and in connection therewith, the Association may require that such animals as so identified and designated be kept in an enclosure approved by the Association or removed from the Subdivision.

Notwithstanding the foregoing prohibitions, with the prior written approval of the Association, animals may be raised for FFA and 4-H school sponsored programs.

No animal pens, cages, kennels, shelters or stalls shall be located on any Lot closer that one hundred fifty (150) feet from the front property line.

<u>SECTION 3. NUISANCES.</u> No noxious or offensive trade or activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to residents of the Subdivision. The Association shall have the sole and absolute discretion to determine what conditions or activities constitute annoyances or nuisances.

No granting of a variance shall be relied on by any Owner, or any other person or entity (whether privy or party to the subject variance or not), as a precedent in requesting or assuming variance as to any other matter of potential or actual enforcement of any provision of this Declaration.

SECTION 4. Neither Declarant nor any utility company using the easements referred to herein shall be liable for any damages done by them, or their assigns, agents, employees or servants, to fences, shrubbery, trees, flowers, structures or buildings or other property situated on the land covered by such easements as a result of construction, maintenance or repair work conducted by Declarant, the utility company or their assigns, agents, employees or servants.

SECTION 5. It is expressly agreed and understood that the title conveyed by Declarant to any Lot or other parcel of land within the Properties by contract, deed or other conveyance shall convey no interest in any pipes, lines, poles or conduits, or in any utility facility or appurtenances thereto constructed by or under Declarant, any utility company or any easement owner, or their agents, through, along or upon the premises affected thereby, or any part thereof, to serve said land or other portion of the Properties, or the right to maintain, repair, sell or lease such appurtenances to any municipality or other governmental agency or to any public service corporation or to any other party, and such right is hereby expressly reserved.

SECTION 6. Declarant shall have the right (but shall never be obligated) to subdivide or resubdivide into Lots, by recorded plat or in any other lawful manner, all or any part of the property in DEER TRAIL, SECTION FOUR.

SECTION 7. DEER TRAIL, SECTION FOUR, is part of a larger tract or block of land owned by Declarant. The violation of any restriction, covenant or condition shall not operate to invalidate any mortgage, deed of trust or other lien acquired and held in good faith against the Property, or any part thereof, but such liens may be enforced against any and all property covered thereby subject, nevertheless, to the restrictions, covenants and conditions mentioned herein.

In the event of any violation or attempted violation of any of the terms or provisions hereof, including any of the restrictions or covenants set forth herein, enforcement of the terms and provisions hereof shall be authorized by any proceeding at law or in equity against any person or persons so violating or attempting to violate any of the provisions hereof, including by means of actions to restrain or prevent such violation or attempted violation by injunction, prohibitive or mandatory, and it shall not be a prerequisite to the granting of any such injunction that there be inadequate remedy at law or that there be any showing of irreparable harm or damage if such injunction is not granted, and against the property to enforce any lien created by this Declaration. In addition, any person entitled to enforce the provisions hereof may recover such damages, either actual or punitive, as such person may show himself justly entitled by reason of such violation of the terms and provisions hereof. The Owner of any Lot or Lots affected shall have the right to either prevent a breach of any restriction, covenant or condition, or to enforce the performance of same. Failure by the Association or any Owner to so enforce any covenant or restriction hereof shall not be construed to constitute a waiver of the right to thereafter enforce such provision or any other provision hereof.

In addition to the other remedies and rights of enforcement provided for herein, the Association may assess fines for violations of the restrictive covenants contained in this Declaration, other than non-payment or delinquency in assessments, in amounts to be set by the Board of Directors of the Association, which fines shall be secured by the continuing assessment lien set out in this Declaration. Such fines shall be recoverable in the same manner as the maintenance charge; provided however, the Association may not foreclose the Association's lien if the debt secured by the lien consists solely of fines assessed by the Association or attorney's fees incurred by the Association solely associated with fines assessed by the Association.

# ARTICLE X - ANNEXATION OF ADDITIONAL PROPERTY

The Annexable Area, or portions thereof, as well as other lands adjacent thereto <u>may</u> hereafter be brought within the jurisdiction of the Association by Declarant at Declarant's option and discretion; provided however, no such annexation of such Annexable Area shall be inferred or implied from any provision herein. NOTICES.</u> Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing.

SECTION 6. SEVERABILITY. Invalidation of one or more of the covenants, conditions, reservations, or restrictions herein contained by judgment or court order or otherwise shall in no way affect any of the other covenants, conditions, dedications, reservations or restrictions, which shall continue and remain in full force and effect.

SECTION 7. GOOD-FAITH LENDERS CLAUSE. Any violation of these restrictions shall not affect any lien or deed of trust of record held in good faith upon any Lot or any part thereof, which liens may be enforced in due course, subject to the covenants, conditions, dedications, reservations and restrictions contained herein.

SECTION 8. GENDER AND GRAMMAR. The singular whenever used herein shall be construed to mean or include the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations (or other entities) or individuals, male or female, shall in all cases be assumed as though in each case fully expressed.

SECTION 9. TITLES. The titles of this Declaration of Articles and Sections contained herein are included for convenience only and shall not be used to construe, interpret, or limit the meaning of any term or provision contained in this Declaration.

SECTION 10. MERGER AND CONSOLIDATION. Upon a merger or consolidation of the Association with another non-profit corporation organized for the same purposes, the Association's properties, rights and obligations may be transferred to the surviving or consolidated association, or alternatively, the properties, rights and obligations of another association may be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association shall administer the covenants, conditions, and restrictions established by this Declaration, together with the covenant, conditions, and restrictions applicable to the properties of the other association, as one scheme. However, such merger or consolidation shall not affect any revocation, change or addition to the covenants established by this Declaration and no merger or consolidation shall be permitted except with the assent of the Members representing two-thirds (2/3rds) of the total votes of

the Members of the Association or with the consent of Declarant.

SECTION 11. DISSOLUTION. The Association may be dissolved with the assent given in writing and signed by Members representing not less than two-thirds (2/3rds) of the total votes of Members. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be offered for conveyances to an appropriate public or governmental agency of Montgomery County, Texas. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any non-profit corporation, association, trust or other organization devoted to such similar purposes.

SECTION 12. RIGHT OF ENTRY; ENFORCEMENT BY SELF-HELP. During reasonable hours subject to reasonable security requirements, the Association and its authorized agents and representatives shall have the right, in addition to and not in limitation of all of the rights it may have under this Declaration, to enter upon any Lot, including any improvements located thereon, for emergency, security, maintenance, repair or safety purposes, which right may be exercised by the Associations' Board of Directors, officers, agents, employees, managers and all police officers, firefighters, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in any emergency situation, entry shall be only during reasonable hours and after reasonable notice to the Owner or occupant of a Lot. Authorized personnel of the Association performing outside lawn and landscape maintenance shall also have such right of entry. Any such entry shall constitute an authorized entry and neither the Declarant, the Association, nor their agents and representatives shall be deemed guilty of trespass by reason thereof. In addition to any other remedies provided herein, the Association or its duly authorized agent shall have the power to enter upon any Lot to abate or remove, using such force as is reasonably necessary, any improvement that is made to the Lot, other structures, thing or condition that violates this Declaration, or any use restrictions. Unless an emergency situation exists, such self-help shall be preceded by written notice. All costs of self-help, including reasonable attorney's fees actually incurred, shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments. All such entries shall be made with as little inconvenience to the Owner as is practicable in the judgment of the Association and any damages caused thereby (as distinguished from repairs with respect to which the Association is entitled to an assessment and lien to be reimbursed) shall be borne by the Association.

SECTION 13. COMPLIANCE WITH APPLICABLE LAW. Notwithstanding any provision to the contrary contained in this Declaration, the Association's collection of maintenance assessments and enforcement of the covenants and restrictions set out in this Declaration shall be pursuant to and in accordance with the relevant provisions of the Texas Property Code and other applicable law and nothing herein shall be construed as authorizing any enforcement procedures or other action by the Association in contravention of any such Property Code provisions or other applicable law.

IN WITNESS WHEREOF, the Declarant has executed this Declaration this the 15th day of April, 2008.
