

# A Word to Our Senior Saints

My beloved brethren and sisters, it is a joy to be able to share with you again in another glorious moment to honor and recognize the **“Senior Saints”** of our church...to feel your spirit and support and to know of your love of the Lord.

I have looked forward to this day from last year to express my deep appreciation and gratitude for your obedience, faithfulness, prayers, and stewardship in the kingdom of God and His local church.

I hold special feelings for our **“Senior Saints”** - for this marvelous group of seasoned veterans of the cross. I feel that in some measure I understand you, for I will be one of you by the Grace of God... one day... not too far in the distant future.

As we honor and recognize you, please know that we honor and give heartfelt thanks to God for blessing you with **‘bonus time.’** Yes. I say bonus time because the Psalmist reminds us in Psalms 90:10a, **“The days of our years are threescore years and ten; and if by reason of strength they be fourscore years...”** thus, any years beyond eighty (80) is bonus time from the Lord.

My desires are that your golden years beyond ninety (90) will be wonderful and rewarding. I pray that you will feel the joy of a life well-spent and one filled with fond memories and even greater expectations through Christ’s atonement. I hope you will feel the peace the Lord promised those who continue to strive to keep His commandments and follow His example. Although your days may not be as physically active as before, it’s my hope your days are filled with things to do and ways in which you can render service to others who are not as fortunate as you. Older almost always means better, for your wealth of wisdom and experience can continue to expand and increase as you reach out to others

So, this is your day of honor and recognition. We commend you with a grateful heart and heartfelt appreciation for all that you do for the kingdom of God
