

Cookie Policy

Last Updated: August 9, 2023

Welcome to VeryPatient, a platform dedicated to educating parents about the health of their little ones through our interactive chatbot. Protecting your privacy and understanding how and why we use cookies is important to us. This Cookie Policy explains what cookies are, how we use them, and how you can manage your preferences.

What are Cookies?

Cookies are small text files that are stored on your computer or mobile device when you visit a website. They are used to help websites function efficiently, to provide information to the owners of the site, and to enhance the user experience.

How We Use Cookies

- a. **Essential Cookies:** These are necessary for our website to function and cannot be switched off. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences or logging in.
- b. **Performance Cookies:** These cookies allow us to count visits and traffic sources, so we can measure and improve the performance of our chatbot and website. They help us know which pages are the most and least popular and see how visitors move around the site.
- c. **Functionality Cookies:** These cookies enable our website to provide enhanced functionality and personalization. They may be set by us or by third-party providers whose services we have added to our pages.
- d. **Targeting Cookies:** These cookies track your online activity and collect information about your interests, so we can provide you with targeted information and make your experience more relevant. These cookies may also be set by third-party advertisers or networks to deliver targeted advertising on our site and on other sites.
