EESFC 2019

WHAT HAPPENED?

WHAT HAVE WE ACCOMPLISHED?

- Jan 28, 2019 a letter was received from Canada Revenue with the results of an audit of the books from Jan 1 2015 to Dec 31,2016. This letter confirmed that EESFC's charitable status had been revoked.
- Gord Pattison, with his passion for the foundation wanted to make it right and re-activate the foundation with the terms and agreements Canada Revenue required to continue the goal of educating elementary school children. He reached out to Revenue Canada to discuss what it will take to re-instate the Canadian Foundation.
- April the Board agreed to hire an Executive Director with the main focus on re-instating the foundation using Canada Revenue guidelines to accomplish this.
- As of September 11, 2019 EESFC was successfully reinstated.
