People:	"I know where I came from and where I am going."	
Leader:	His light shines before us, illuminating the path he sets for us, that we too may know where we are going.

MISSIONS UPDATE

Letter from Laura and Carson Foushee, CBF Field Personnel to Japan

For the last several years, we have been in conversation with the Japan Baptist Convention about our next long-term ministry location and focus. We have specifically sought your prayers for presentations and interviews about where God was calling us. We are excited to finally share that in August we will be returning to the city of Kanazawa to serve in partnership with Kanazawa Baptist Church. We were blessed to serve our first three years in Japan with Kanazawa Baptist, so we will be going back to our roots to serve alongside a congregation that has had profound impact on our lives.

In our discernment process, we sought a congregational partner which could help create a model in which field personnel and church members use their gifts to work together toward a common vision. We also sought a partner that had a passion to serve internationals. It is estimated that by 2040 Japan will need four times its current number of international workers to maintain its average economic growth. This would mean a stark increase in the number of immigrants and migrant workers coming to Japan. After conversations with candidate churches from across the country, we felt Kanazawa Baptist provided us the best opportunity to meet these hopes in joining God on mission. We know first-hand the church's willingness to join in service beyond its doors and its vision to reach further into the city and prefecture to serve its neighbors, including those with international roots. We pray that we will be able to work together toward this vision to produce good fruit.
