## EXECUTIVE SEARCH OPTIONS FROM ECONOMICAL TO ENHANCED

### OUR REAL VALUE IS TIME AND PRICE:

**1. We get your position in front of more candidates faster.**

We concurrently:

- Conduct extensive research and outreach to qualified passive candidates selling the position and institution
- Search our candidate database
- Maintain involvement in higher education/discipline specific organizations and associations
- Advertise positions
- Leverage industry partner relationships to reach prospective passive and active candidates

**2. Our searches are priced at roughly half those of conventional search firms. We achieve this by concentrating on core activities that only add value to your search**

**3. We work with you until your searches are filled.**

You must be satisfied

### ENHANCED SEARCH

Our most comprehensive search service. Starting with candidate profile development and ending with candidate acceptance.

Includes in-person candidate review and analysis, interview coordination, and candidate negotiations.

### CANDIDATE GENERATOR +

An economical service casting a wide net sourcing active and passive candidates.

Traditional advertising expires in 60 to 90 days. We keep searching until you're satisfied, saving you thousands in wasted ad spends.

We review initial qualifications, the committee shortlists semi-finalists and begins first round interviews.

### FULL SEARCH

Complete search involvement from candidate profile development to delivery of vetted candidates.

You need only to shortlist, conduct interviews and present an offer. To save you money, items usually done by the institution are stripped away.

### INTERIM SEARCH

Our interim search service finds qualified candidates to fill your temporary hiring needs.

We work closely with you to align the skills and characteristics of our interim candidates to your needs.

We continually recruit and renew our interim pools to assure access to fresh, top talent.
