In addition, each Lot Owner shall be responsible for maintaining the right of way and any Common Area between such Lot Owner's Lot and the street. Each Lot Owner agrees to abide by rules which may be established by the Association regarding specifics on maintenance of Lots and residences on the Lots as well as any requirements regarding plantings on Lots. No Lot shall be used for storage of material and equipment, except for normal residential requirements or incident to construction of improvement thereon as herein permitted. In so doing, the Association or its agents shall not be subject to any liability for trespass or otherwise. All costs incurred in any such repair, maintenance, restoration, cutting, pruning or removal shall be charged against the Owner of such Lot as the personal obligation of such Owner and as a lien upon the Lot, enforceable and collectible in the same manner and to the same extent as a maintenance assessment. Any Occupant of such Lot shall be jointly and severally liable with the Owner of the payment of such costs.

The Association shall contract with one (1) or more service to provide grass cutting, lawn maintenance, proper care for all trees, shrubbery and other landscaping, and other necessary maintenance services for the Common Areas, provision for which shall be made in the quarterly or annual assessments.

Within sixty (60) days of any insurance settlement, the Owner must commence to rebuild and reconstruct the structure. Any such rebuilding and reconstruction shall be accomplished in conformity with the plans and specifications of the original structure so destroyed, subject to any changes or modifications as approved by the Developer or the Association or Architectural Review Committee, as the case may be, in accordance with this Article V hereof.

Any change or alteration must be approved by the Developer or the Association, as the case may be, in accordance with Article V hereof. In no event shall any damaged structure be left unrepaired and/or unrestored for in excess of sixty (60) days from the date of the insurance adjustment.

(c) If the correction of a maintenance or repair problem incurred on one Lot necessitates construction work or access on another Lot, both Owners shall have an easement on the Property of the other for the purpose of this construction. SECTION 33. DRAINAGE. No Lot Owner shall place fill on any lot or place fences, trees or landscaping in such a location or position that will interfere with the existing drainage on or from other Lots or the Common Areas.

SECTION 34. CURB CUTS AND DAMAGE. Any and all assessments made pursuant to the rules and regulations shall be deemed assessments properly made pursuant to the terms of this Declaration and may be collected by the Association in accordance with the provisions as contained herein. In addition, the Rules and Regulations may include (without limitation) restrictions and rules regarding any and all aspects of the use of the Lots and residences thereon as well as the common areas regarding any matter which the Association believes should be regulated in order to preserve the desirability and attractiveness and/or provide for maintenance of the Development if the Association reasonably determines that such rules and regulations shall benefit the same. The premiums for such insurance and bonds shall be a common expense of the Association.

Unpaid officers and Directors of the Association shall not be liable to any Lot Owner for any act or omission unless the act or omission constitutes gross negligence or willful misconduct.
