How we got started

Since 2007 we have served at the “Casa Hogar Oasis De Los Ninos” on short term mission trips. Our number one goal while we serve at the “Casa” is bringing the Gospel of Jesus Christ to the Kids and sharing the love of Jesus with the Kids and Staff! We also try to encourage the Kids to learn a second language, like English to double their income in life. We also serve the Casa by building, fixing, repairing, painting, cleaning, cooking and whatever else needs to be done. Kids At The Casa, Inc is a non-profit organization started in 2017 to continue providing trips for people with hearts willing to help those at The Casa know Jesus through our labor, music, skits and Bible teaching.

“Our hearts desire is that they would know us...
And Jesus...by our love.”
