If you have not gained a victory over Satan's traps of performance, passion, position, and possessions before you are elevated as a change agent into a leadership role, you will be an easy prey for Satan and his demons.

Many leaders' integrity is not strong enough to keep them at the top of a mountain once the prosperity, fame, and prestige hit them.

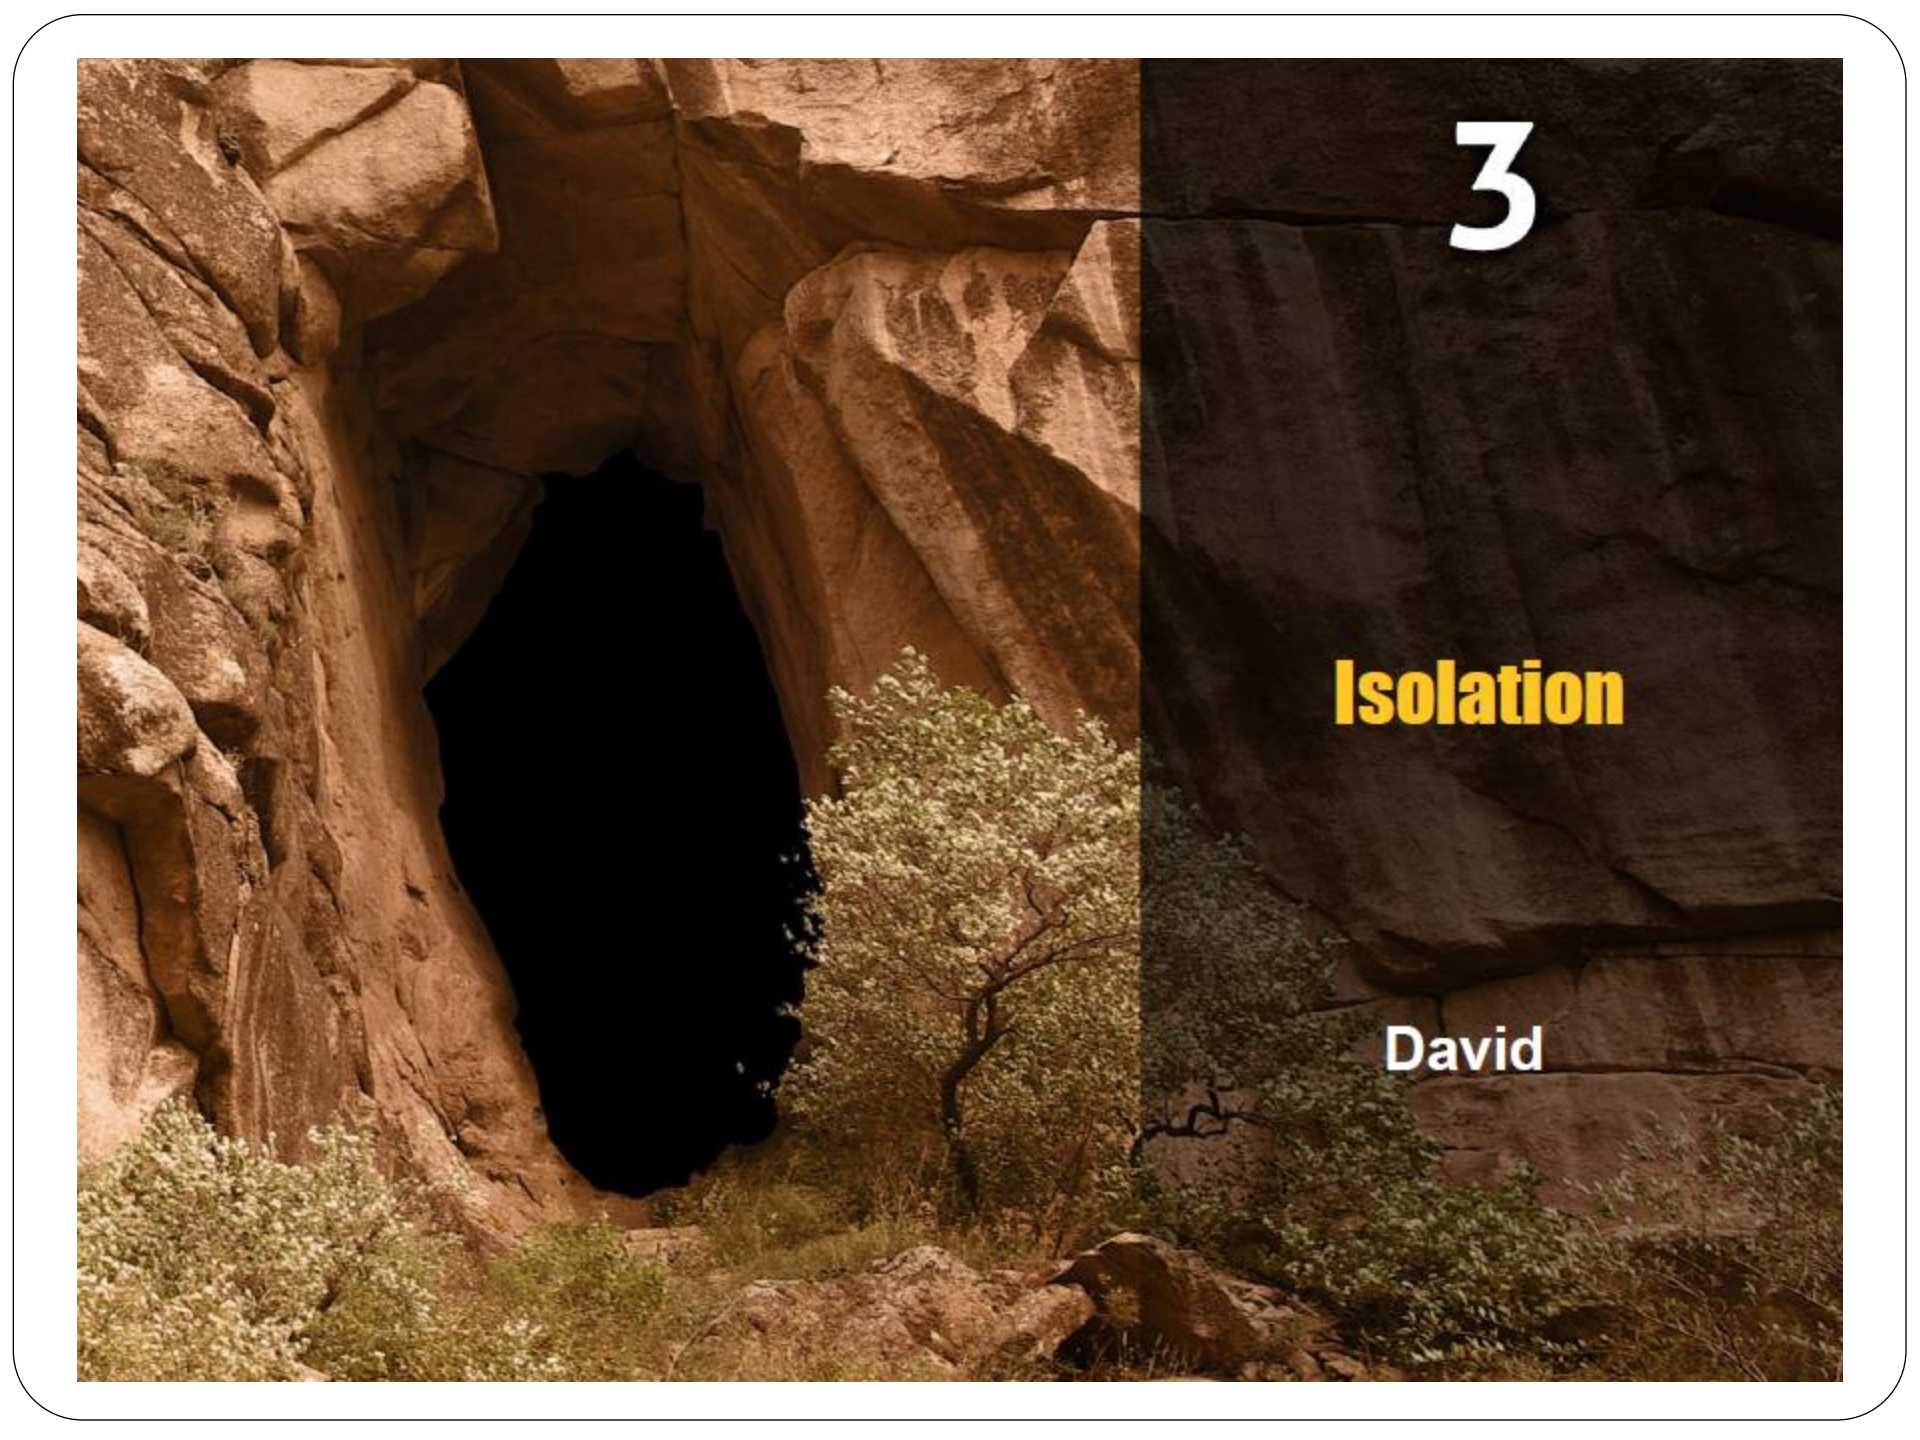

**Whatever God sets you free
from He automatically gives
you an anointing to set
other people free from the
very thing you were a

A dramatic night scene of a city with mountains in the background and a massive lightning bolt striking the sky. The city lights are visible at the bottom, and the mountains are silhouetted against the dark sky. A large, bright lightning bolt strikes the sky, creating a powerful visual metaphor for the text.

The greater the influence of the cultural mountain, the greater the warfare.

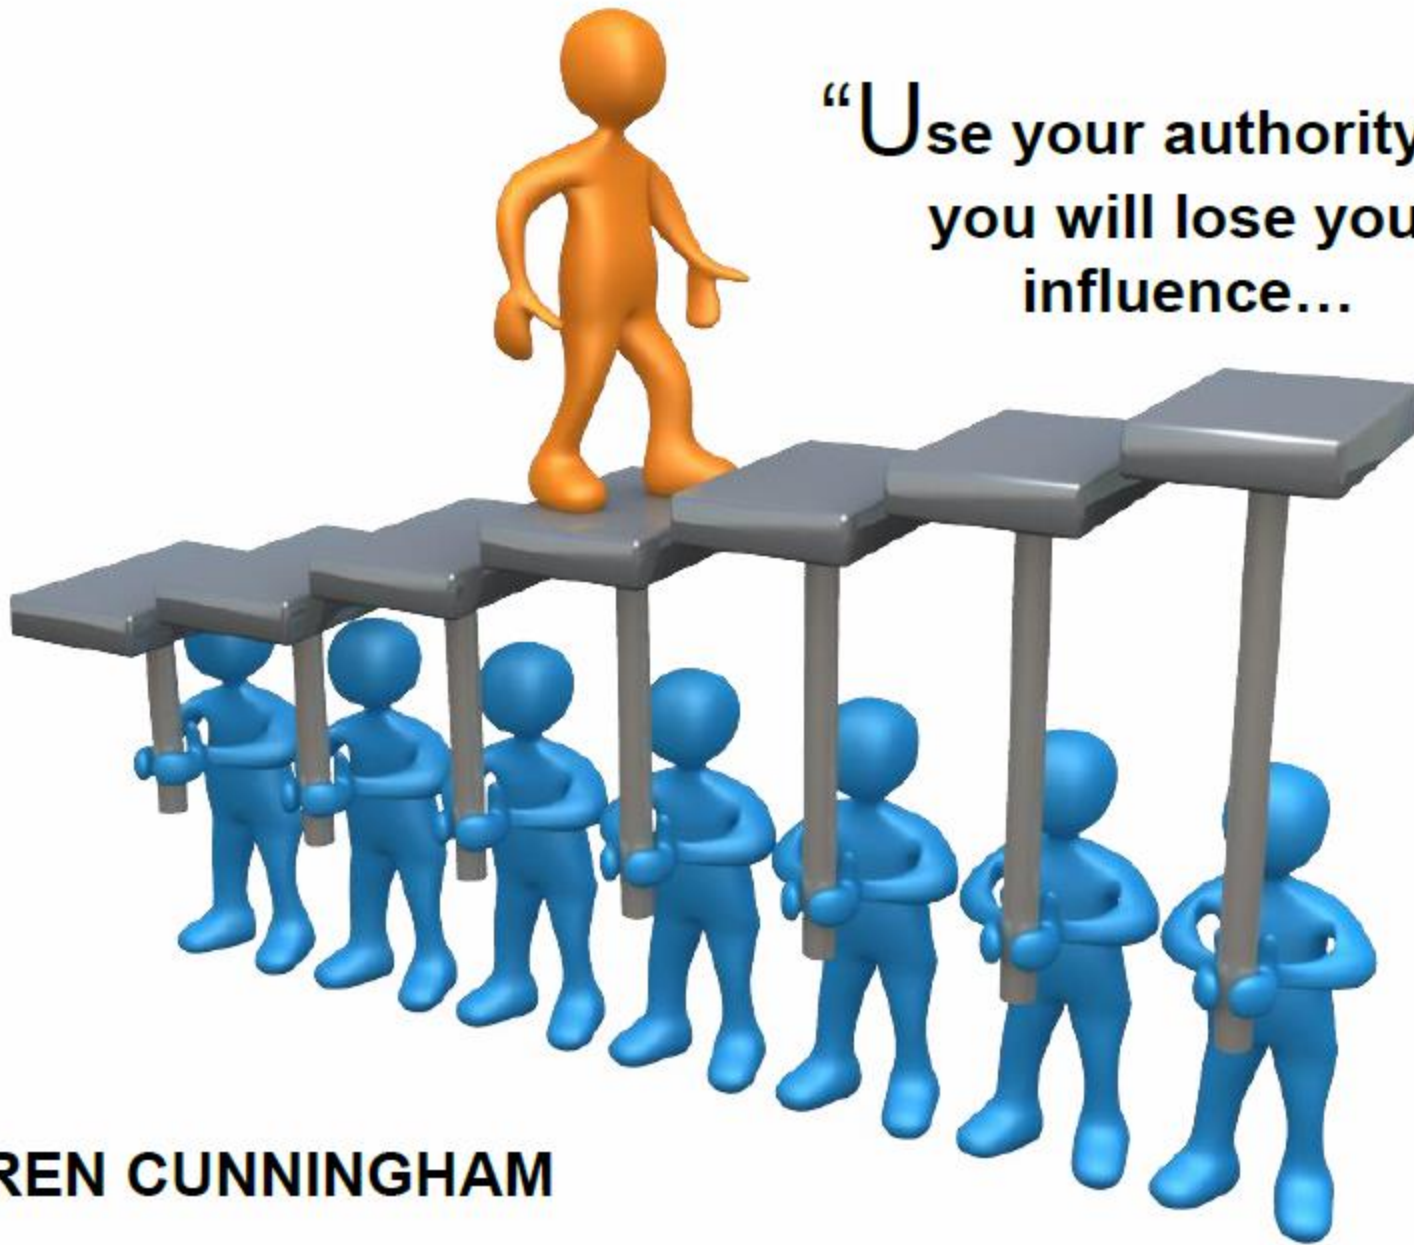

...because a great door for effective work has opened to me, and there are many who oppose me. 1 Cor. 16:9
