What are these mountains, tribes, and associated demons?

| Mountain | Tribe | Demon |
|---|---|---|
| Media | Hittites | Apollyon |
| Government | Girgashites | Lucifer |
| Education | Amorites | Beelzebub |
| Economy | Canaanites | Babylon |
| Religion | Perizzites | Nameless "religious spirit" |
| Celebration (arts, entertainment, sports, fashion, etc.) | Hivites | Jezebel |
| Family | Jebusites | Baal |

There are 7 main spheres that influence society, all other influences are contained within these, and, as God is giving greater revelation in these times, we are seeing His strategy more clearly. The Promised Land, which Joshua was to occupy, had seven nations already in control that needed to be removed so that the Israelites could possess and occupy the land. Deuteronomy 7:1(GNB)

The mission and assignment to Christians is to impose the desires of heaven on Earth as he quotes what Jesus prayed for his disciples in Matthew 6:10 "that God's will be done here on Earth as it is in heaven" thus that the heavenly reality must be shown on earth before Jesus comes.

*1. The LORD your God will bring you into the land that you are going to occupy, and he will drive many nations out of it. As you advance, he will drive out seven nations larger and more powerful than you: the Hittites, the Girgashites, the Amorites, the Canaanites, the Perizzites, the Hivites, and the Jebusites.*

Each mountain relates to a nation, as mentioned in Deuteronomy, and knowing who these nations are and what they represent reveals clues as to the ruling spiritual forces. Each mountain has controlling spirits assigned to it. Ephesians 6:12 (GNB)

*For we are not fighting against human beings but against the wicked spiritual forces in the heavenly world, the rulers, authorities, and cosmic powers of this dark age.*

As our battles are not against people, but against spiritual powers, it is wisdom to know the character of the enemy. Ruling powers and spirits always affect the thought life of those under their geographical sphere. Looking at the mountains individually will enable us to have a better understanding of its importance, its effect and the ruling spirits. As we are going to take territory on these mountains this information becomes significant.

## The Seven Mountains – The Victory is already won!

*The LORD your God will bring you into the land that you are going to occupy, and he will drive many nations out of it. As you advance, he will drive out seven nations larger and more powerful than you: the Hittites, the Girgashites, the Amorites, the Canaanites, the Perizzites, the Hivites, and the Jebusites.*

Each mountain relates to a nation, as mentioned in Deuteronomy, and knowing who these nations are and what they represent reveals clues as to the ruling spiritual forces. Each mountain has controlling spirits assigned to it. Ephesians 6:12 (GNB)

*For we are not fighting against human beings but against the wicked spiritual forces in the heavenly world, the rulers, authorities, and cosmic powers of this dark age.*

**Media – The Hittites**

The mountain of media shapes perception, fear, and truth. It has been largely overtaken by fear and distortion, amplifying bad news while suppressing what is good and life-giving. This fear weakens societies, fuels division, and creates a false battlefield for spiritual warfare. God is raising evangelists to reclaim media with truth, hope, and what is noble and praiseworthy. Prayer and action must work together—covering existing voices, confronting deception, and empowering believers to enter media as a divine calling, not merely a profession.

---

**Government – The Girgashites**

Government determines the moral direction of nations. Long abandoned due to corruption, this mountain is now seeing God position His people within leadership. The ruling spirit operates through pride, power, and earthly ambition. God is raising apostles—those with divine authority rooted in intimacy and obedience—to confront corruption and establish righteousness. Persistent prayer for leaders, paired with action through education, policy, and righteous governance, is essential to displacing darkness.

---

**Education – The Amorites**

Education shapes worldview and destiny. Once grounded in biblical truth, it has been overtaken by humanism and godless ideologies. These philosophies elevate human reason above divine truth. God is calling believers to re-enter schools and universities through prayer, curriculum influence, and leadership, restoring truth at the foundation of learning and preparing future leaders aligned with God's purposes.

**Economy – The Canaanites**

The economic mountain governs provision and wealth flow. It is ruled by greed, fear of lack, and the deception of mammon—convincing people that money, not God, is their source. This system ultimately collapses when separated from righteousness. God is raising prophetic voices and righteous business practices to break mammon's hold, promote generosity, and model economies rooted in stewardship, justice, and trust in God as Provider.

---

**Religion – The Perizzites**

Religion is meant to connect humanity to God but is often hijacked by dead tradition and false worship. The religious spirit steals true devotion and replaces it with form without power. The Holy Spirit is central—bringing God's presence, power, and passion. Prayer, discernment, and Spirit-led action are required to dismantle false altars and restore authentic worship that brings heaven to earth.

---

**Celebration (Arts & Entertainment) – The Hivites**

This mountain captures culture and the hearts of the next generation. Though heavily corrupted by counterfeit pleasure and perversion, it is inherently creative and God-given. Satan can only imitate, not create. God is raising artists, musicians, filmmakers, and creatives to restore joy, beauty, and truth. Clean hearts, prayer, and bold creativity will produce kingdom expressions that make God visible and desirable again.

---

**Family – The Jebusites**

Family is God's foundational institution and is under relentless attack through rejection, broken relationships, and distorted identity. Rejection erodes love and fractures generations. God is raising pastors, fathers, and mothers—both spiritual and biological—to heal, restore, and rebuild families. Prayer has power to shift spiritual legislation, while action must strengthen family structures, restore marriages, and secure a righteous foundation for future generations.

---

**Core Truth**

Each mountain requires **prayer first, then action**. God is raising "Elijah Revolutionaries"—men and women called to reclaim culture not through retreat, but through Spirit-led engagement. The battle is not against people, but against spiritual strongholds. Victory comes through obedience, humility, and alignment with heaven's strategy.
