Disclaimer and Signature**The undersigned acknowledges and agrees that:**

This order form is used as the final written consent to modify your firearm. Excluding options may result in undesired or incomplete work as reflected online.

By submitting my firearm and/or frame to Get That Stippled, LLC I have voluntarily requested that the aforementioned company perform modifications to my firearm that include but are not limited to modification services and/or permanent and/or temporary modifications and alterations. I am aware that any requested alterations and/or modifications may void my factory warranty and also may be hazardous and/or may affect various safety systems. I am voluntarily requesting that the modifications take place with the full knowledge of the dangers involved which include: mechanical failure, damage to personal property, bodily injury and death. I hereby agree to accept and assume any and all risks involved to include injury and or death. As consideration for the services being performed, I hereby agree for myself, my heirs, personal representatives and assign release, indemnify, hold harmless and forever discharge Get That Stippled, LLC and its agent, employees, officers and principles of and from any and all claims demands, debts, contracts, expenses, causes of action, lawsuits, damages and liabilities of every kind whether known or unknown, in law or equity that I ever had or may have arising from or in any way related to work performed on my firearm.

Get That Stippled, LLC is not responsible for any items lost in transit after a tracking number has been provided. This includes shipping to or from my business address.

Signature: _____ Date: _____

Quality work and exceptional customer service are our main priorities. We endeavor to provide lead times that are as accurate as possible. While we know that it is hard to temporarily part ways with your firearm, please rest assured that we are diligently working through orders. Providing status updates takes away from valuable production time. Therefore, please resist the temptation to request status updates unless we have surpassed the projected lead time. You will be notified immediately when your firearm is on its way back to you!
