OUR MISSION

Our mission and vision are unwavering in all our lawn care initiatives: to cultivate strong relationships with our clients and the community, while improving the environment and protecting the planet for future generations, one lawn at a time.

DIFFERENTIATORS

We evaluate and broaden the lawn care industry by focusing on exceptional service quality and superior craftsmanship, completed by strategic marketing initiatives that create a lawn care network attracting clients and business community trust. Our dedication to groundskeeping guarantees that we consistently address client needs with both efficiency and timeliness.

We follow all contract requirements, specifications, and quality standards closely to meet the highest technical, professional, environmental, and safety standards.

Our primary responsibility is to ensure seamless integration and coordination of all activities necessary for contract execution which includes timely and quality handling.

We prioritize accuracy in forecasting, managing, and controlling costs by utilizing the most advanced cost comparison models available.

CORE COMPETENCIES

We offer a comprehensive range of core competencies, supplying all essential labor, equipment, tools, materials, parts, supervision, and incidental expenses, including transportation and accommodation, to ensure thorough ground maintenance.

Our services includes safe tool and equipment operation and regulation compliance as well as the following:

- Weeding of all beds
- Mulching of flower beds
- Mowing of all grass areas
- Edging along concrete sidewalks
- Removal of grass, leaves, and other debris
- Trimming and pruning of trees, shrubs, & grasses
- Organically treat grassy areas to inhibit weed growth

*A host of other outdoor treatement and maintenance services

ABOUT OUR COMPANY

As a company dedicated to excellence in groundskeeping, we operate under a framework of robust spiritual and ethical principles that influence our practices and relationships. We hold integrity as a core value in every aspect of our business, aiming to provide responsive, profitable, and professional landscaping services that embody these ideals. Our philosophy extends beyond mere lawn maintenance; we view each outdoor area as an opportunity to cultivate trust and develop enduring partnerships with our clients.

COMPANY DATA

Founded in 2015, our company has quickly risen to be one of the top ten lawn care providers in the Columbia, SC. We deploy crew members, tailored to the specific requirements of each project, averaging 2 to 3 crew members per project, with a strong emphasis on cost efficiency and operational effectiveness. Based in Columbia, SC, we serve the surrounding regions and adapt our workforce in response to seasonal trends, project demands, and various other factors.

PAST PERFORMANCE

With community award winning services, we are an exceptionally professional organization that consistently adheres to schedules and client needs. Clients regularly express high levels of satisfaction with their prompt, professional, and courteous service.
