

Ready Set Mow – Account Deletion Request

If you would like to delete your Ready Set Mow account and associated data, please send a request to:

support@readyssetmow.com

Include the following information in your request:

- Your account email address
- Your name

Once we receive your request, your account and associated data will be permanently deleted within 7 business days.

Data deleted includes:

- Account profile information
- Uploaded service request photos
- Service history

Some transaction records may be retained as required for legal or financial compliance.

If you have any questions, contact support@readyssetmow.com.
