

Service Discount Application

In an effort to make home-education and participating in Mighty Roots Academy affordable for all families, each student may apply for our Service Discount to apply towards their tuition cost. At enrollment, students, with the help of their family, must:

1. Fill out the Service Discount Application. Due May 20th. Late applications are accepted if projects and volunteers are needed.
2. Meet with the Service Coordinator to arrange and plan service hours to be approved for the discount. A current list of projects for this year is attached. If you have a specific project you would like to work on or another project in mind, please list it.

During the Summer or throughout the year:

1. Complete service hours. Approximately 20 hours for Homeschool Academy to receive a \$300 discount. 10 hours for Creative Options to receive a \$150 discount. At this time there is not a service discount for half day enrollment, but we still encourage families to contribute to making MRA a wonderful place through volunteering. Families must start and complete the entire task. Larger tasks that require more hours to complete the project may be eligible for larger discounts for the extended service provided to the MRA community but must be approved before starting. **No partial discounts will be awarded.**
2. Receive awarded discount in the form of a tuition credit or refund as determined by the Service Coordinator once hours have been completed. Most projects are completed in the summer. Service opportunities are limited during the program year.

Student Name(s) Only list the students you are applying for a discount on their behalf. You may apply for each student in your family.: _____

Applying for service scholar for the following program(s)

___ Homeschool Academy \$300 scholarship ___ Creative Options \$150 scholarship

Total Amount of Discount your family is applying for: \$ _____ **Total Hours:** _____

Parent/Guardian Name: _____

Occupation: _____

Special Skills or talents: _____

Parent/Guardian Name: _____

Occupation: _____

Special Skills or talents: _____

Upon completion of the application the service coordinator will reach out to the family of the student to review the application. Most projects must be completed in the summer before classes begin. If a project has enough help, it will not be available.

Parent/Guardian signature: _____

Parent/Guardian signature: _____

Families can serve in the following areas. *(Please rank preference with 1 being most preferred.)* If you have experience in any of these areas, please let us know and mark your order of preference for projects you would like to complete and have the skills to do so without needing additional training. If you do not have experience areas, that is ok. Just leave this section blank.

- ___ Cleaning – deep cleaning classrooms before program start, winter break, and spring. (during program year)
- ___ End of program day cleaning 30 minutes before pick-up totaling 45min- 1hour each time(during program year)
