## Options

# UNICOVER ALUMINUM

Now that you have chosen your side window or side door style, you can select the options that satisfy your storage, security, capacity and performance needs. Once finished, you will have a cap that works or plays as hard as you do.

Several heights available
Double cargo door
Single walk-in door
Front sliding window
Front tip-down window
4 utility rack options
Paint to match
12-volt dome light
Battery operated dome light
Ladder loader
Galvanized steel tool box
Horizontal Shelf
Vertical divider <ul style="list-style-type: none"> <li>- 1/2 vertical divider</li> <li>- Fold down tray</li> <li>- Skid resistant mat</li> </ul>

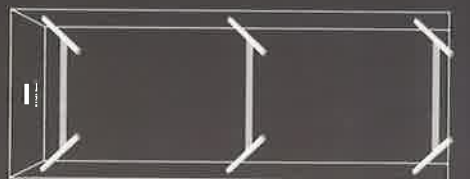

**OPTIONAL UTILITY RACKS**  
Choose the rack that's right for you

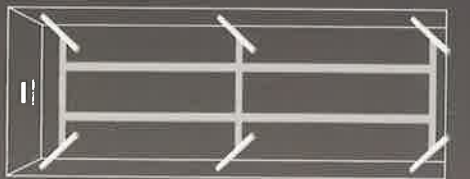

Light duty utility racks

Heavy duty Utility Racks

Heavy Duty Utility rack with center support

Heavy Duty Utility rack with center support and beam

Single walk-in door

### OPTION

The fold down tray creates a convenient work area. Add the heavy rubberized mat to the tool box or shelf for additional convenience and safety.

Double cargo door

### OPTION

The LadderLoader allows you to store your step ladder in a convenient, out of the way area, leaving more cargo space in the pickup bed.

### **model 800**
