Get to Know Frankincense Boswellic Acid Complex

Product Spotlight

What is it?

Groundbreaking Frankincense Boswellic Acid Complex encapsulates (literally) the power of frankincense in a revolutionary liquid microbead capsule, which contains CPTG Certified Pure Tested Grade® Frankincense essential oil and Boswellia frankincense resin.

Frankincense Capsules stand out in the crowded wellness market because of its unique formula and delivery system. Its combination of natural ingredients in microbead capsules ensures maximum potency and offers a convenient way to easily incorporate the benefits of Frankincense—one of the most incredible and desired essential oils—into your daily routine.

The capsules provide a multitude of health benefits. Using Frankincense Boswellic Acid Complex every day can support a healthy inflammatory response and healthy cell cycling.*

Benefits of Frankincense Capsules

These capsules make it easy to enjoy the internal benefits of Frankincense essential oil and other natural ingredients, including:*

- Supporting healthy cellular function.
- Supporting healthy inflammatory response.
- Providing antioxidant support and protection.

What's in Frankincense Capsules?

At doTERRA, we like to keep the ingredients simple, and the holds true here.

Key Ingredients

- Frankincense essential oil from *Boswellia sacra* (65 milligrams per serving)
- 60% concentration of AKBA (acetyl-11-keto- β -boswellic acid) from *Boswellia* resin

Clay Face Mask

Ingredients:

- 2 teaspoons bentonite clay
- 2 teaspoons apple cider vinegar
- 1 drop Frankincense oil
- 1 drop Lavender oil
- 1 drop Tea Tree essential oil

Note: Bentonite clay can be purchased at your local health food store. Do not use a metal bowl or spoon with bentonite clay as it can make it less effective.

Instructions:

- Combine clay and vinegar in bowl and stir until well combined.
Tip: For a thicker mask, add an additional half teaspoon of clay.
- Add essential oils.
- Apply to clean skin, avoiding the areas around eyes and mouth.
- Let dry for 5–15 minutes.
- Rinse with warm water and follow with moisturizer.

Lavender Creates Lasting Change

Impact Snapshot

Location: Bulgaria

At Esseterre, the local dōTERRA Lavender distillation facility, we invest in pure ingredients and the people who produce them. Since 2020, the life-changing Step-by-Step Mentorship Program has: This is just one of many impact initiatives in Bulgaria and beyond.

Cared for children who lack parental support

Empowered vulnerable families

Offered life-skills workshops on education, careers, and healthy choices

Hosted training camps to build confidence and independence
