Village of Gallinas, NM

Per LGLG By-Laws, page 34, Section 5, Board Meetings, 24-hour notice is hereby given that the LGLG BOT will meet on Friday, 7-24-2026 at 5:30 pm. The location is: 1073 NM State Rd 65 in the village of Gallinas, NM.

The purpose of this meeting is for the LGLG BOT to review currently known LGLG Financial information pertaining to the Charles Schwab account and AmFirst Insurance Company, Axonic Waypoint MYGA3, Single Premium Deferred Fixed Annuity account, Policy # AMW0022630.

Both accounts are supposedly managed by Debbie Andrews, Andrews Financial Services. It has been determined that there is NO CONTRACT or Written Agreement between, or with LGLG and Andrews Financial Services. This reasonably could result in a substantial financial loss to LGLG.

The LGLG BOT will adjourn into an executive session to discuss the financial matter. The LGLG BOT will NOT TAKE ANY ACTION on the financial matter in executive session.
