

# USING ZOOM

## Joining a Meeting

- Click the meeting link sent by email or message.
- Zoom will open automatically and connect you to the meeting.

## Turn On Camera and Microphone

- Use the camera and microphone buttons at the bottom of the screen.
- This allows others to see and hear you.

## Use Zoom for Social Connection

- Zoom can be used for family calls, community meetings, and online classes.
- It helps seniors stay connected even from home.
