BOARD CHAIR'S MESSAGE

The year 2018 was a success for Malton Women Council as we continued to offer programs and services in the areas of holistic health and well-being; information and resource sharing; education and awareness; peer support; civic engagement; cultural connections; inter-generational activities; skills development and training. We also received huge turn out and support for our signature events: Annual International Women's Day and Annual Helene Tree Planting and Meet Your Neighbor Day. We introduced 2 new programs in 2018 which are English Conversation Circles and Care to Share. Malton Women Council also established collaborations with Mississauga Library (Malton); Toronto and Region Conversation Authority and Rotary Club of Mississauga. The year 2019 marks the 10th year of our journey! Over the course of these ten years, the Council has worked tirelessly towards our vision of 'empowered women, empowered communities'. On behalf of the entire MWC Family, I extend my sincere gratitude to our founding members, core members, volunteers and community partners for your continued support and for making this 10-year milestone a beautiful reality!

TREASURER'S REPORT

I would like to present my report for the financial year ending on December 31, 2018. For the year 2018, our total revenue was \$7,591 and our operating expenses were 5,869. As of December 31, 2018, our net assets were \$3,346.

For the financial year ending on December 31, 2018, the income tax return was filed through Abrar Naseer, CPA, CGA.

The sources of revenue generation for MWC in 2018 were annual membership fees, ongoing donations and annual fundraising event called International Women's Day. MWC activities and services are also supported through in-kind contributions from its members, partners and other stakeholders. The Board of Directors of Malton Women Council continue to make efforts to receive funding to support our programs and services.
