

Survey Party Chief

Position Overview

GarNat Engineering is looking for a full-time Survey Party Chief to join our team. The Survey Party Chief's primary job will be to collect field data for topographic and boundary surveys, construction staking, and preparation of elevation certificates under the direction of our professional land surveyor.

Responsibilities:

- Independently perform surveying assignments, making exact measurements, and providing data relevant to the shape, contour, location, elevation and dimension of land or land features.
- Manage and train survey rod-men.
- Operates and maintains all instruments and measuring devices including levels, robotic total stations, GPS equipment, and data collectors.
- Knowledge of Carlson field equipment and data collector software.
- Download and upload survey data to data collectors and office computers.
- Responsible for safe operation and maintenance of vehicles, tools, and equipment.
- Coordinate with survey manager and engineering staff on survey needs for engineering projects.
- Performs other duties of a similar nature and level as assigned.

Requirements:

- Minimum 2 years land surveying experience
- High School diploma or GED required
- Working knowledge of surveying
- Highly motivated
- Ability to work well in a team environment
- Ability to work with total station and GPS latest survey equipment
- Good written and verbal communication skills
- Basic math skills
- Valid Driver's License with satisfactory driving record
