“Great Job! John is very personable, down to earth, and does not talk above the children’s heads. One parent reported that her five year old said “I know, Mama, I have the Magic In Me!”

-Lisa Hightower, Congaree Elementary

Motivate and uplift your students, while giving them fun and amazement!

The Magic Is In You! is a high energy, interactive stage show for school assemblies and educational conferences featuring magician and speaker John Tudor, seen by over 750,000 students nationwide.

“Your show was perfect! The points you brought out correlated 100% with our conflict resolution curriculum; the faculty and administration were pleased, the children talked about it for days.”

-Francis Patterson, Ast. Principal, Petersburg Middle School

45 minutes long, requires 30 min. set up. Onstage: request steps to audience floor, or (at least) 10’x15’ well lit area, audience in front. Can do up to three per day.

Available year round.

“To use ‘Magic’ to get and hold the attention of more than 500 teenagers, while presenting a positive, proactive message that reinforced our drug prevention program, is quite a skill.”

-Ed McDowell, Principal, Marion High School

THE MAGIC OF *John Tudor*

Biography

John Tudor's heartwarming magic has been enjoyed across North America for over two decades. He's performed at a wide variety of venues, including **The Breakers**, in West Palm Beach, **The Riviera**, in Palm Springs, and **The Glenn Gould Theatre** in Toronto. He performs for Fortune 500 companies like **Morgan Stanley**, **Google**, and **Boeing**.

Coming from a professional acting background, John brings a **theatrical touch** to his performances, while keeping the hilarity flowing. His dramatic manner and **powerful voice** captures the audience, and his storytelling style has invited comparison to Garrison Keiller and Orson Welles. For years he performed in schools and educational conferences; and he won a **First Place Silver Telly Award** for his magic video "**The Magic Is In You!**"

John's magic is born out of passion and theatre, by pulling rabbits out of hats, he seeks to bring out the magic in everyone.
