THE MAGIC OF
John Tudor

Birthday Party Magic Show

The Birthday Party Magic Show lets you **sit back, relax, and enjoy** the party! My **trained rabbit, Rodney**, is the big hit!

Two packages are available:

- **Magic Show \$325**
- **Magic Show + Balloons \$375**

"John is a very talented magician who gets the crowd involved and keeps everyone amazed. My daughter said it was the best party she ever had. This was the first time I hired a magician....I made the right choice. Thanks again for making my daughter, Camri's 10th birthday a great memory!"
- Shonda C

The show features about an hour of **colorful, exciting magic**, and the birthday child **helps make the rabbit appear!** (They all can pet the rabbit) They can also get **custom balloon** dogs, hats, cats, rabbits, etc.

I bring everything, just need a space (against a wall) big enough for 2 kids and I to stand side by side. Kids can **sit on the floor**, and I make a "front row" with tape. Grownups are encouraged to sit with the kids.

My background includes over **thirty five years of professional experience**; I'm **fully insured**, and the show is **guaranteed**.

THE MAGIC OF *John Tudor*

Biography

John Tudor's heartwarming magic has been enjoyed across North America for over two decades. He's performed at a wide variety of venues, including **The Breakers**, in West Palm Beach, **The Riviera**, in Palm Springs, and **The Glenn Gould Theatre** in Toronto. He performs for Fortune 500 companies like **Morgan Stanley**, **Google**, and **Boeing**.

Coming from a professional acting background, John brings a **theatrical touch** to his performances, while keeping the hilarity flowing. His dramatic manner and **powerful voice** captures the audience, and his storytelling style has invited comparison to Garrison Keillor and Orson Welles. For years he performed in schools and educational conferences; and he won a **First Place Silver Telly Award** for his magic video "**The Magic Is In You!**"

John's magic is born out of passion and theatre, by pulling rabbits out of hats, he seeks to bring out the magic in everyone.
