THE MAGIC OF
John Tudor

Rave Reviews

"Fantastic! You're just Fantastic!"

-Millie Grimes, Belfair Oaks Plantation

"I can't begin to tell you how much they enjoyed the show! Keeping a group of 550 K-5 students, seated on the floor, focused and involved for an hour is no easy task-especially at the end of the day. But you did it with ease! I had at least ten teachers comment that yours was the best assembly we've had."

_ Mary Ellenberg, Pinecrest Elementary

"We gave you a tough crowd, but you handled it well. your magic was good, and the 'message' worked nicely. Thanks for the work you do!"

-Kathleen Hinchman, Syracuse, NY

"We have booked The Magic of John Tudor a dozen times over the past 5 years. We presented his full show in a 800 seat theatre with full lighting and sound, it was terrific! Especially great with kids. We also use him for festivals, donor receptions, and fundraisers. He can work in virtually any setting, with any audience, is funny and his magic tricks are dazzling. Easy to work with, understands the business and will make your event memorable."

Richland and Lexington Counties
