

*Hay cut and  
raked – ready to  
be baled*

#### RANCH WORK

Fall at the Ranch is the end of haying season. James has been out cutting, raking and baling for a more than a month now. Stockpiling this extra grass now ensures our animals have plenty to eat during the winter.

#### WHAT'S AVAILABLE NOW

Beef – 8 quarters, 4 half or 2 whole animals

Pork – 48 quarters, 24 half or 12 whole animals

#### REMINDERS

Find us at the

- Meridian farmers market 1<sup>st</sup> Saturday
- Philadelphia farmers market 3<sup>rd</sup> Saturday

Send in a small deposit to ensure your place on the list and reserve your pork or beef.

#### NEW & NOTEWORTHY

- We have obtained approval to sell retail cuts in MS!
- Woodpile Ranch will begin offering school tours this fall. What a fun way to educate kids on where their food comes from!
- You can now pay monthly for your meat!

#### BLACK ANGUS CATTLE

It is recovery time for our herd bulls. After spending spring with the cows – and before rejoining them in the fall – our bulls spend summer on their own. They rest and eat so they can regain the weight lost earlier in the year.

*One of our  
young bulls*

#### TAMWORTH HOGS

Right now, the hogs are doing their best to keep cool. Unlike people, hogs cannot sweat. Unlike dogs and cats, they cannot pant. During the summer, we give them lots of water and ensure they have shade. They come out and eat mostly at dawn or dusk, when the day is cooler.

#### BEEF & PORK (ON THE HOOF)

We have plenty of pork available in all sizes and a limited amount of beef. If you'd like a smaller pig for roasting whole, just give us a call.

#### OUR THANKS!

For your orders, visits, and support

*Dolores & James Townsend*
