MCDONOUGH LOCATION

Founder , Lala Layton

Larissa a 20 year license Master Cosmetologist started Hair be Poppin in 2016 with just one chair. In 2018 Lala branched off into a collaboration space of 900 sqft with 3 chairs & 3 suites. After noticing the demand for suites, Lala dissolved the partnership and opened the first individual location with 9 suites in 2021. In 2022 the company received an offer to take over a space in Morrow Ga. Which became her 2nd location with a total of 24 suites in 2023. Now to date LaLa is a franchisor and accepting franchisees. Lala has incorporated a savvy business model that meets the needs of beauty professionals.
