Agent Cole Marcus.
Running out of time.

Command — I need that location
NOW.
The signal is moving!

KRRNCH

Somewhere beyond the city.
He already knows.

The soldier races toward his death.
Conventional weapons will not stop
what has come through.

ZZZZRAKK

PLEASE—
SOMEONE—

The entity does not rush.
It does not need to.
It has never failed to claim its prey.

Until now,
no one has ever
tried to stop it.
