

Caring Kids: Coping Rhymes for COVID Times

S'More Kindness Cookie Recipe

Step one: Break the graham crackers in half and place on a cookie sheet. Cut a large marshmallow in half and place cut side down on the graham cracker.

Step two: Broil for about 60 seconds, but keep a very close eye on it! You want them nice and golden brown.

Step three: Place an unwrapped HERSHEY'S KISS on top of the marshmallow and push it down a bit.

Step four: Let the HERSHEY'S KISSES sit for a few minutes on the hot marshmallow until they start to get a little shiny. Then you know it's time to dig in! The chocolate will be soft enough to bite into.
