Note: all information is used for club purposes only.

Annual Membership fee: \$10.00 per person

Thank you for joining our Club.

The club's goal is to provide our membership with answers to their gardening concerns and to provide each member with gardening information through our speakers and workshops.

The club meets at 7 p.m. on the fourth Tuesday of the month (September - June), with exceptions in Dec. for our Christmas party and in June for the Annual General Meeting.
