Developed by demolition experts for the demolition industry.

**patent pending*

**DEMOLITION
RESOURCES
INC.**

Innovation in Demolition™

Volume and Labor Savings

- 12:1 reduction in elevator trips
- 75% labor reduction and increased safety
- Load material directly on trailers, no dumpsters needed

Simply Creates Premium Bales

- Less than 5 minutes to assemble and bale
- Can yield premium material for higher prices
- Moves easily within the demolition site
