

Please support the Middle Street School Fund

Why do we need supporters?

The government is imposing real term funding cuts on schools by freezing per-pupil funding while inflation and cost of employer pension and national insurance contributions increase. This has forced us to make significant cuts to staffing levels, curriculum and other budgets.

With the help of voluntary contributions we hope to reduce the impact of these cuts on the broad educational experience we have always aspired to at Middle Street Primary School.

The Middle Street School Fund is run as a separate charity by the school governors. All donations will be confidential.

Who can be a supporter?

Anyone! Not just parents and carers. So please give a card to grandparents, friends, past students and their families and anyone who might be interested in financially supporting the school.

All supporters can get an occasional newsletter from the charity that includes information about:

- How the money raised by supporters is helping the school
- All the great things happening at the school
- Upcoming events at the school that all supporters are welcome to attend

To become a supporter just use the form on this card or go online to the web address below.

Find out more using the QR code above or at www.middlestreet.brighton-hove.sch.uk/fund
