

## August 2019 Newsletter

**For everything there is a season....**

*"For everything there is a season, and a time for every matter under heaven." — Ecclesiastes 3:1*

*"For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope." Jeremiah 29.11*

It is with a bittersweet spirit and a faithful heart that I bid farewell to the good people of Epiphany Lutheran Church. On Sunday, July 28, I informed the congregation Council that after a little over three years serving Epiphany as your pastor, God is calling me to share my gifts and talents with an ELCA congregation in Blacksburg, Virginia. I give thanks to you for your prayers, participation and leadership during our time together, and beyond.

My last Sunday at Epiphany will be August 18th; my last day 'in the office' will be August 22nd. I will then move out of my residence and make my way to where the Holy Spirit is leading me, to Luther Memorial Lutheran Church, a congregation located on the campus of Virginia Tech University.

There is indeed a season and a time for all things under God in Christ Jesus, and our season of ministry together will soon end. God has heard and answered Epiphany's prayers, blessing this "small but mighty" congregation with new and younger members, financial stability, consistent community outreach, and meaningful worship.

Every member of this congregation has participated in ministry and for that I am grateful. I count on each of you to continue in your faith, confident that God will lead Epiphany to grow, thrive and serve the Memphis area by proclaiming the Gospel, feeding the hungry and accompanying those in need. God has worked through us to bring Epiphany 'to the right place' to now move forward, rejoicing in Christ Jesus and the promises of holy baptism. I encourage you to keep thinking outside the box, be open to new ideas and activities, and to love one another as you have first been loved by Jesus. Let Romans 12:12 be your guide, "Rejoice in hope, be patient in suffering, persevere in prayer." Likewise Philippians 4:13, "I can do all things through Christ who strengthens me."

I intend to observe ELCA procedure for pastoral leave-taking, as a professional courtesy to your interim pastor, as well as for good boundaries and closure. After August 22nd, I will no longer be involved with Epiphany social media, the website or Facebook. My Pastor Monica Gmail account will be closed. I will not be available for weddings, confirmation, baptisms or funerals: God will provide you with pastoral leadership for these important events. Carol Webster will remain on staff at Council's direction to help facilitate a smooth transition with the interim pastor, and to provide Epiphany members with her administration expertise.

Thank you, everyone for the privilege and blessing of serving you as your pastor, and may God continue to bless and keep you. Trust in the Lord, always!

Peace. *Pastor Monica*

# **Epiphany State of the Congregation – Summer 2019**

## **Presented on August 4, 2019 by Phil Goetz, Council President**

### **Financial**

- Expenses are in line with 2019 budget
- Giving is 10% above budget
- Still need to increase by 10% or \$1300/month to break even

### **Summary**

- Religiously: Very Strong
- Community Involvement: Very Strong
- Congregational Fellowship: Very Strong
- Financially: Better than last year but still need to grow via new members and increased giving
  - Even as we move through our transition, find opportunities to talk up Epiphany to neighbors, social circle, and co-workers; invite anyone who shows interest
  - Consider increasing your giving to the congregation; having a balanced budget will be a great selling point when looking for a new pastor

### **Looking Forward**

- Pastor Monica's acceptance of another call is not a problem – it is an opportunity for both her and us. Council hopes to make an announcement regarding the interim pastor very soon.
- Council will spend some time prayerfully considering what is in the best interests of the congregation; our meeting with Rev. Dr. Ben Moravitz is a first step.
- Be thinking about serving on the Call Committee; we need a diverse group to represent Epiphany.
- We will emerge stronger than before.

## We are a Healthy Tennessee Place of Worship!

For the second year in a row, Epiphany Lutheran Church has been designated a Healthier Tennessee Place of Worship! We hope you will work to adapt a healthier lifestyle over the next 12 months. Here are a few things you can do!

- Walk and Talk - get a little exercise by walking around while you talk on the phone
- Make a Swap - Replace sugary drinks with healthier options
- Pop Some Grains - substitute popcorn for your usual snacks!
- Hit The Bottle - drink more water during the day

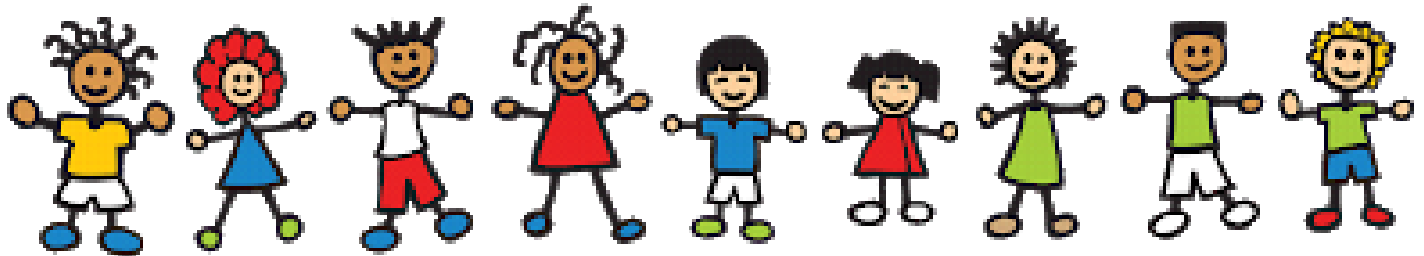

What are some other habits you can pick up to help you stay healthy?

## New Social Ministry Team

As part of our Transformational Ministry activities to keep our focus on "Mission and Invitation," we are merging the Evangelism and Outreach teams into one: the Social Ministry Team. Jennifer Parker and Andria Prouty will act as co-chairs, and will work closely together going forward. Look for more information soon!

## Children's Church

Answered prayers! God has blessed our congregation with young members and we are ready to begin serving them through Children's Church. Classes will take place during service for twenty minutes, twice each month. The first session will begin in September and end in December. We are in need of two (2) volunteers per class. Volunteers will be supplied with the morning's activities - ready to go. Please [contact Andria Prouty](#) if you are interested in signing up once a month or once a session... your help is appreciated and needed to get this program started! This is a great way to support Epiphany and its members!

## Kingsway Wednesday Night Fellowships

Kingsway is holding its last Wednesday Night Fellowship on August 21. Instead of potlucks, they will have cooks for the meal; if you would like to attend, please [e-mail Nicole Moore](#) or call her at 901-683-3505.

## What's Happening at Home Place?

We had a very busy July at the garden! On July 10, we harvested 39 pounds of tomatoes, peppers, cucumbers, potatoes and eggplant, which were delivered to the Collierville Food Pantry (thanks to Pat & Dan Marzahl!)

On July 25, despite the grass being a bit wet, the gang mowed everywhere except Section D, and also clipped the grass and weed whacked inside and around the garden. Elizabeth Olsen attended the last two work sessions and completed her required 5 service hours. We also weeded; spread glass clippings; fed the worms; fed, pruned and staked the tomato plants; and harvested 140 pounds of vegetables which were delivered to the Collierville Food Pantry (thanks to Lori Goetz!)

Last but not least, on July 27th Dick and Wally fixed the cedar slats on our wonderful toolshed - it looks great! We mounted an iron tool rack and hung up our tools - it's wonderful to have a proper tool storage system. Other maintenance work included oiling the John Deere and removing the deck on it to clean up muck buildup and replace the blade serpentine belt. To date, more than 500 pounds of vegetables have been harvested and provided to the Collierville Food Pantry for our neighbors in need.

The Collierville Middle School and Varsity Pompon squads joined us at two different times this month - we are so grateful for their help!

## New Altar Candles Dedicated August 4th

This past Sunday, we dedicated and blessed our beautiful new oil-refillable altar candles. The candles were purchased with funds from the Ken Ketcham memorial fund - Ken was a long-time active member and supporter of Epiphany, and served the church in many capacities, including time on the council and as an active member of the Altar Guild.

These candles will be more efficient and less costly versus the wax candles we have traditionally used.
