

Beaver Creek Griffons

Puppy Application

Thank you for your interest in our Griffons. We fell in love with our Bella's fun and sweet personality, her hunting drive, and just overall being an amazing addition to our family and wanted to share our love of her with others. We cherish her pups and will make every effort to ensure they are placed in the best homes possible.

All pups will go home with up-to-date vaccinations, de-worming, vet checked, AKC registered with full rights, a puppy pack, and a blanket with mom and sibling scent. All pups have been through Early Neurological Stimulation and Early Scent Introduction (days 3 – 16), Desensitization Exercises (weeks 3-6), beginning housetraining, duck wing and pheasant wing introduction, dew claws removed, and tails docked.

Please take your time answering the following questions – the more information you give us, the better we can match you with a puppy that fits your family.

Once your application is reviewed and it is determined that you are a great fit for our pups, a NON-REFUNDABLE deposit of \$400.00 will need to be made. We will go in order of deposits received when placing pups. After the puppies are six weeks old, we will welcome all with approved applications to schedule a visit. Pups will be ready to go home on or after 8 weeks old. The balance of payment is due prior to time of pick-up/delivery. Deposits can be made through Venmo, all other payments must be cash, money order, or cashier's check. The full purchase price is \$2000. (deposit = \$400 remaining balance = \$1600)
