

HPV Vaccination Workgroup Agenda

Date: April 15, 2026

Time: 12:00 PM

1. Call to Order and Introductions

- Welcome and meeting purpose
 - Brief participant introductions (as needed)
-

2. Program & Administrative Updates – Sierra Cugno

- Staffing and transition updates
 - CT Cancer Care Partnership alignment updates
 - Website status and interim solutions
 - Grant reporting or funding considerations, as relevant
-

3. Review of Educational Materials Development

- Overview of proposed flyers and fact sheets
 - One-page resource for:
 - General public
 - Healthcare providers
 - Core messaging elements:
 - Vaccine facts
 - Addressing myths and misconceptions
 - Clarification that providers do not need to be MDs to administer vaccines
-

4. Branding, Approval, and Printing Strategy

- DPH stamp approval process and associated timelines
 - Proposed alternative:
 - Use of CCP logo
 - CCP support with printing and dissemination
 - Logo restrictions in provider offices
 - Example: limitations related to Immunization.org
 - Continued public trust in CDC as an informational source
-

5. Leveraging Existing Resources and Partnerships

- Identification and use of currently circulating, factually accurate materials
 - Yale collaboration opportunities:
 - Potential MPH intern support for a focused project
 - Resources to be shared by Maggie:
 - ACS Roundtable materials
 - Safety and effectiveness resources
 - Oral health information
-

6. Translation and Language Access Planning

- Assessment of language needs beyond Spanish
 - Discussion of translation priorities and feasibility
-

7. Vaccine Access and Referral Information

- Development of a vaccination site list
 - QR code linking to pharmacy options
 - Ensure inclusion of multiple pharmacy and access locations
-

8. Audience Considerations and Messaging

- Public and parent vaccine hesitancy trends
 - Hesitancy extends beyond HPV to multiple vaccines

- School requirements as a motivator for vaccination
 - Messaging strategies for parents and the general public
-

9. Digital Outreach and Educational Activities

- CCP website update status
 - Planned or proposed webinars
 - Consideration of “Lunch and Learn” sessions in the fall
-

10. Information Sharing and Updates

- Marissa to share her publication with the team upon release
-

11. Next Steps and Action Items

- Review assigned tasks, responsible parties, and timelines
- Confirm next meeting date and objectives
