Math Elective	2	
Government & Econ	2	
Science Elective	2	
CDOS Work Based Learning AND Community Service (100hrs)	2	
Arts & CTE Electives	2	
Physical Education	1.06	

The **Career & Technical Arc** is designed for scholars to take full advantage of the career and technical training we offer in Automotive Technology, Barbering, and Culinary Arts. On top of completing the necessary Regents and credit requirements, scholars on this arc are expected to complete the requirements for the CDOS Commencement Credential, which means they will complete work-based learning, sit for work-readiness assessments in their field, and graduate ready for entry-level positions in the field of their choice. Scholars on this arc are still provided with all the same college preparation afforded to scholars on our other tracks and are expected to apply to at least SUNY and CUNY schools.
