

Eagle Seniors Class of 2023,

It is hard to believe, but the summer is almost over and in just a few weeks you will be an Eagle High School Senior! Please accept my congratulations for your hard work thus far. Although Senior orientation Senior week, Convocation, Senior trip, Award Night, Prom, and Graduation are right around the corner there is still much work to be done. Attending school and all your classes daily, successfully completing your coursework, and ensuring that your *Post Eagle Plan* including college, trade and job application are complete and sent out on time are some obvious responsibilities. However, modeling exemplary behavior and giving back to our learning community by being a positive influence on our underclassmen, are equally important, albeit less obvious responsibilities.

Your title of Eagle Academy Senior means that you will be held to a higher standard than every other scholar in our learning community. Our promise to you is that our talented team of educators, counselors, support staff, and administrators will be available to support you every step of the way. Our firm belief is that your success is our success in much the same way that your failure is our failure. There is no doubt in our mind that we will all be successful.

A key ingredient to success is transparency of expectations. To that end, we would like to make the expectations for seniors clear.

- Scholars will demonstrate **Confidence** in their academic ability by being PRESENT EVERY DAY, ON TIME.
- Scholars will maintain a **Professional** tone in the classroom through the use of academic language at all times. Scholars not using professional language need to demonstrate **Resilience** and repeat what they said in a more professional manner.
- Scholars will show a **Commitment to Excellence** by being in full uniform at all times. If a scholar does not have his full uniform, he will be sent to 140, be given an item, and his family will be called.
- Scholars will demonstrate **Leadership** by always positively supporting their Eagle Brothers. Scholars who make choices that tarnish our brotherhood will be sent to a Scholar Coordinator or Guidance Counselor, depending on the situation.
- Scholars will show full **Effort** by following educator instructions about technology. Scholars should be utilizing an iPad or laptop for class ONLY when indicated by the educator.

We strongly encourage our families to discuss the importance of making good choices and behaving appropriately with our seniors. As such, all seniors are required to return this letter with both a parent/guardian's signature as well as the signature of the student to Ms. Lesane (RM 203) or Ms. London (RM 134) no later than **September 16, 2022**.

Seniors who do not submit their Code of Conduct by the deadline jeopardize their ability to participate in activities, celebrations and sports. Signed acknowledgments will be held on file for the duration of the 2022-2023 academic year. There is no doubt in our mind that, working together, we can ensure that your senior year is productive and memorable.

We look forward to working with you this year. Do not hesitate to contact us or any member of the administrative team with questions or concerns.

I have read the Senior Expectation Letter as well as having an understanding of the Eagle Academy community norms Code of Conduct and understand the expectations my school has for me as a member of the class of 2023. I understand failing to adhere to the expectations outlined above will jeopardize my eligibility to participate in celebratory events, trips, school-wide activities, senior events, including but not limited to prom and participating in graduation.
