

Future Focused

Senior Flight Plan

Senior Flight Plan

Objectives:

- The Senior Flight Plan is designed to showcase who students are, what they know and what they can do.
- The Senior Flight Plan will highlight post-secondary plans and demonstrate a commitment to financial literacy, community service and social/emotional wellness.

Senior Flight Plan =

Real Connections

The HOW and WHY:

- Real-world connections draw from actual objects, events, experiences and situations to effectively address a concept, problem or issue.
- It involves learning that allows students to actually experience or practice concepts and skills, as opposed to learning that is theoretical or idealistic.
- It features learning projects that directly relate to, are relevant to, or provide benefit to students, their families or the community.
