The **Scholar-Athlete Arc** is designed to ensure that scholars who want to play sports in college are fulfilling the NCAA requirements during high school in order to be eligible to play Division 1, 2, or 3. Scholars are given the all the same college and career opportunities as those on the Early College Arc. They have the opportunity to engage in all our CTE programs and External Learning Opportunities. They are required to meet the college-ready scores of at least 75% on both the English and Algebra I Regents.
