

Knitting with Beads

Adding beads to your knitting is fun, and the results are magical! In this class we will talk about different ways that beads can be added, and discuss the pros and cons of each. Putting our new knowledge to use, we will make a cute beaded coaster. You'll leave with the confidence, skills, and resources needed to incorporate beads into your projects.

BEGINNER CLASS

basic knitting skills required

Beads, crochet hook, and additional supplies provided by the instructor for \$15.00 to be paid to the instructor the day of the class.

Basic knitting supplies needed:

Fingering weight yarn, light in color and smooth (preferably a wool or protein-based fiber), circular and/or straight knitting needles that yield a nice stockinette fabric with this yarn (bring a few different sizes), notebook, pencil, and the usual knitting bag filled with treasures.

HOMEWORK:

Be sure all yarns are wound and ready to use.
