Crocheting the saxon cable

In this class we will learn how to crochet Bonnie's version of the Saxon Cable using post stitches. Time permitting, we will also explore adding additional columns to this stitch for a wider cable.

BEGINNER CLASS
Crocheters should be familiar with the basic stitches (ch, sc, dc, hdc, tr)

Instructional worksheet provided.

Please bring at least 2 skeins of a worsted weight yarn and crochet hooks sizes I (or 9/5.50 mm), and J (or 10/6.00 mm), or what you commonly use for worsted weight yarn. Yarn should be a LIGHTER color so that you can see your work easily. Please, NO dark colored yarns!
