Bargello 101: Stitch Your First Masterpiece

Unleash your inner artist and dive into the captivating world of Bargello with our "Bargello 101" course! This class welcomes you to explore the rich history and vibrant artistry of Bargello, a mesmerizing needlework technique blending needlepoint and counted cross-stitch.
Perfect for beginners, this course requires no prior needlepoint experience. You'll learn the fundamental Bargello stitches and patterns and discover how to create stunning designs on plastic, mesh, or linen, transforming simple straight stitches into dramatic zigzag, wave, and geometric patterns with graduated color sequences.
This class brings this beautiful 17th century tradition into the 21st century with fresh, approachable designs. You'll master the basics, learn to read Bargello patterns, choose the correct canvas, yarn, and needle, and stitch with confidence. Get ready to be hooked on this enchanting technique and create hypnotic, dimensional designs!

All necessary materials are provided by the instructor for a fee of $15 paid to the instructor the day of the class.

Please being a tape measurer and small scissors.
