Needle Felted Owl

Discover the world of Feltie Forms by creating a needle felted owl. You will learn how to prepare the form for felting, make a beak, and needle felt the face/body. Then you will cross hatch fiber to construct wings. Participants should be able to handle wool and a felting needle.

Material cost to be paid directly to the instructor the day of the class: $35 and includes Feltie form (3oz oval) 1 oz. core fiber, 1/2 oz. base color, 1/2 oz. black, 1/8 oz. white, 1/8 oz. 3 accent colors, 2 felting needles, bamboo skewer, instruction booklet.

Students must bring sharp scissors
