Celtic weave and beyond!

In this class we will be learning how to crochet the Celtic Weave at least 3 different ways: across rows, worked in straight rounds, and worked in rounds. We will also discuss the origin of this stitch and how it can be applied to various crochet designs. Students will leave with swatch samples using this stitch.

INTERMEDIATE CLASS
Crocheters should know basic crochet stitches (ch, sc, dc, hdc, & tr)

Instructional worksheet provided.

Please bring at least 2 skeins of a worsted weight yarn and crochet hooks sizes I (or 9/5.50 mm), and J (or 10/6.00 mm). Yarn should be a lighter color so that you can see your work easily.
