FMS

SAP® FMS

QServ offers:

- SAP Fashion Management Solution
- SAP Customer Activity Repository (CAR)
- S4/Hana Blueprint
- BW4/Hana
- SAP Datasphere
- SAP Analytics Cloud
- SAP Business Data Cloud
- Rapid Deployment Accelerators
- Certified SAP Activate Methodology Resources
- Several Retail Fashion Specific Intellectual Property
- Program and Project Management
- S/4HANA Blueprint
- Global Deployment Expertise across North and South America, Europe, Asia, and Middle East.

The Challenge

In this competitive market, many leading fashion businesses are facing rapid changing trends, increasingly demanding customers and the need for constant product innovations.

While fashion businesses face numerous challenges, they need flexible yet stable solutions to stay ahead of the competition.

The Solution

SAP FMS brings together wholesale, retail, manufacturing and fashion specific processes into one back-end system. Offering:

- Lower TCO platform
- Global Inventory Transparency
- Cross Channel Integration
- Strategic insight
- Social media and sentiment analysis
- Consistent consumer experiences
- Personalized offers and loyalty programs.

Why Should I Choose QServ?

QServ has gained extensive expertise in SAP FMS, IS-Retail, and SAP AFS consulting services for clients such as Ann Taylor and Vera Bradley Designs. We leverage deep SAP product knowledge to develop the best strategy aligned with your long-term goals, minimize risk, and ensure a predictable and successful implementation cost.
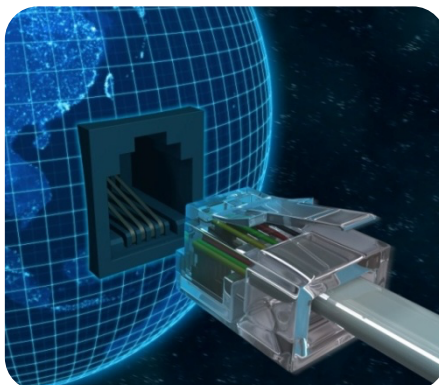

Our core experience in complex global SAP® ERP implementations with certified platinum SAP consultants will help you, create a global S/4HANA blueprint (Finance, SCM, EWM, etc.) to enable fast and smooth deployments to various divisions globally, adapting to localizations with ease. QServ also enhances your SAP FMS environment with a comprehensive suite of post-deployment services. From daily operations to cost-effective and efficient application management, we ensure smooth global operations. Our team includes key experts who have worked on major SAP FMS implementations.

Testimonial

"When compared to many of the high-priced consultants available, QServ equals and exceeds their talent and offers an economical solution."
